**Gift
Of
Friendship
By
Todd
Machnovitz**

The faces of friendship come in many forms, such as Brandon Wait, Tammy Peeden and Doug Habegger **(top)**, Laura Blanken and Lori Hanes **(above)** and Mrs. Moran and Joe Pope **(right)**.

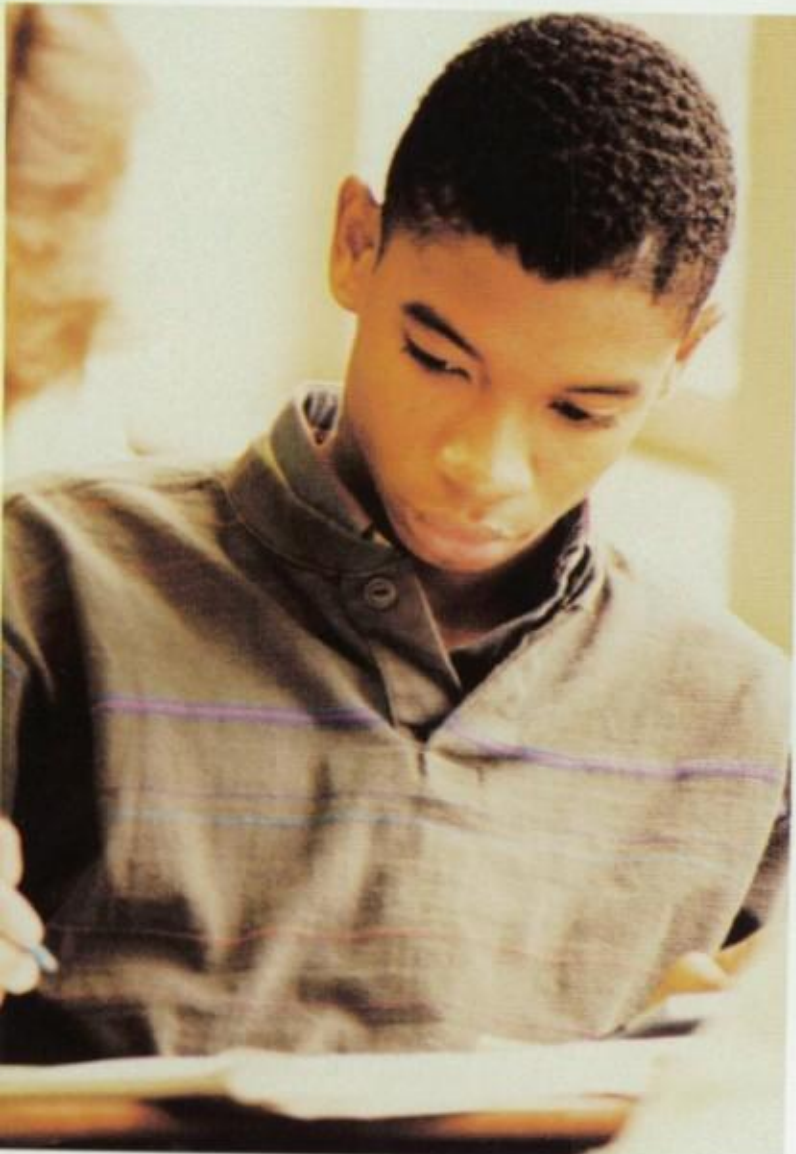

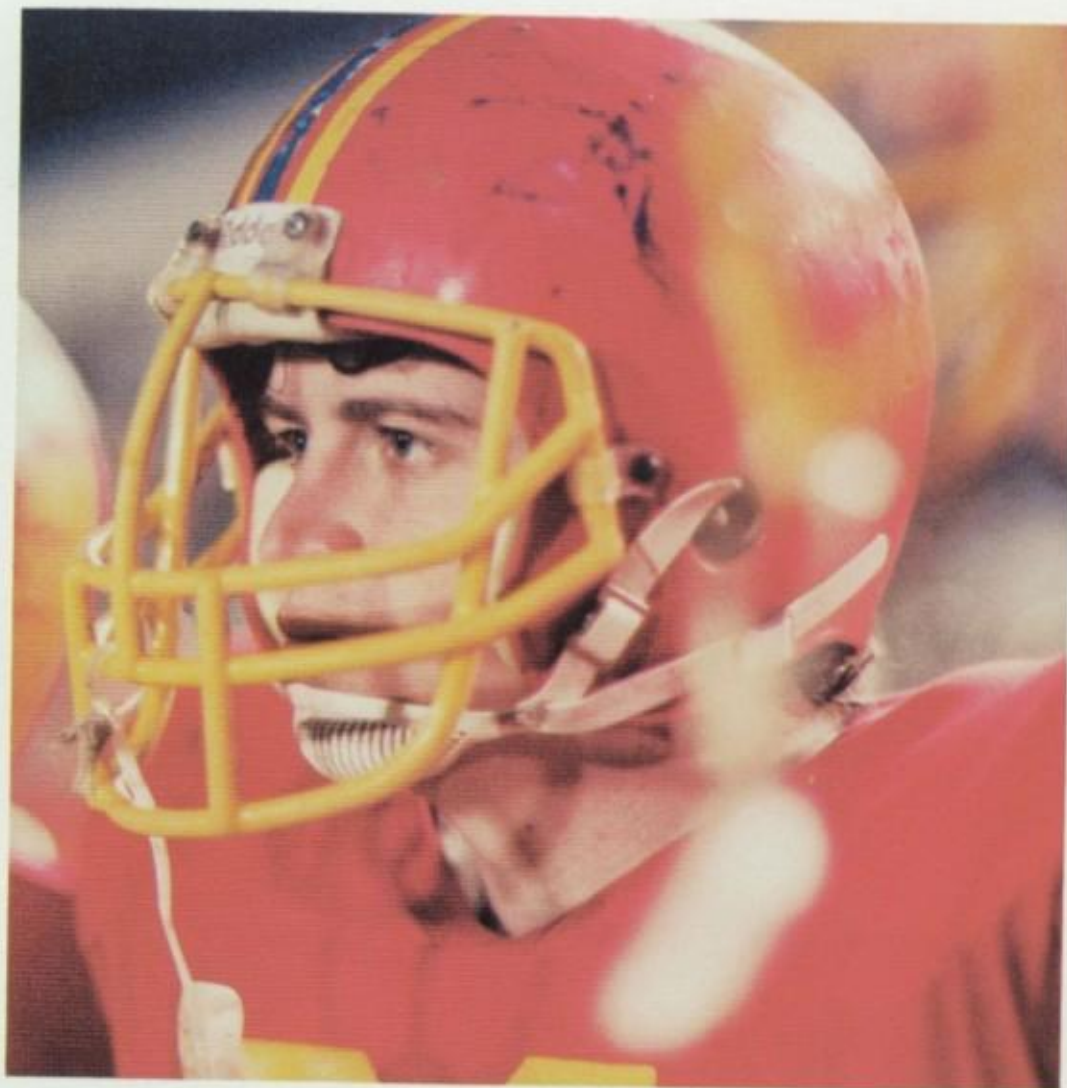

Friends spend time together in various activities. Mr. Geraci and Mr. Meinking **(left)** act up at a Pep Rally, juniors display proud and happy smiles at the Ring Ceremony, **(below)**, and Randy Heisel and Chris Johnson **(bottom)** just pause to shoot the breeze.

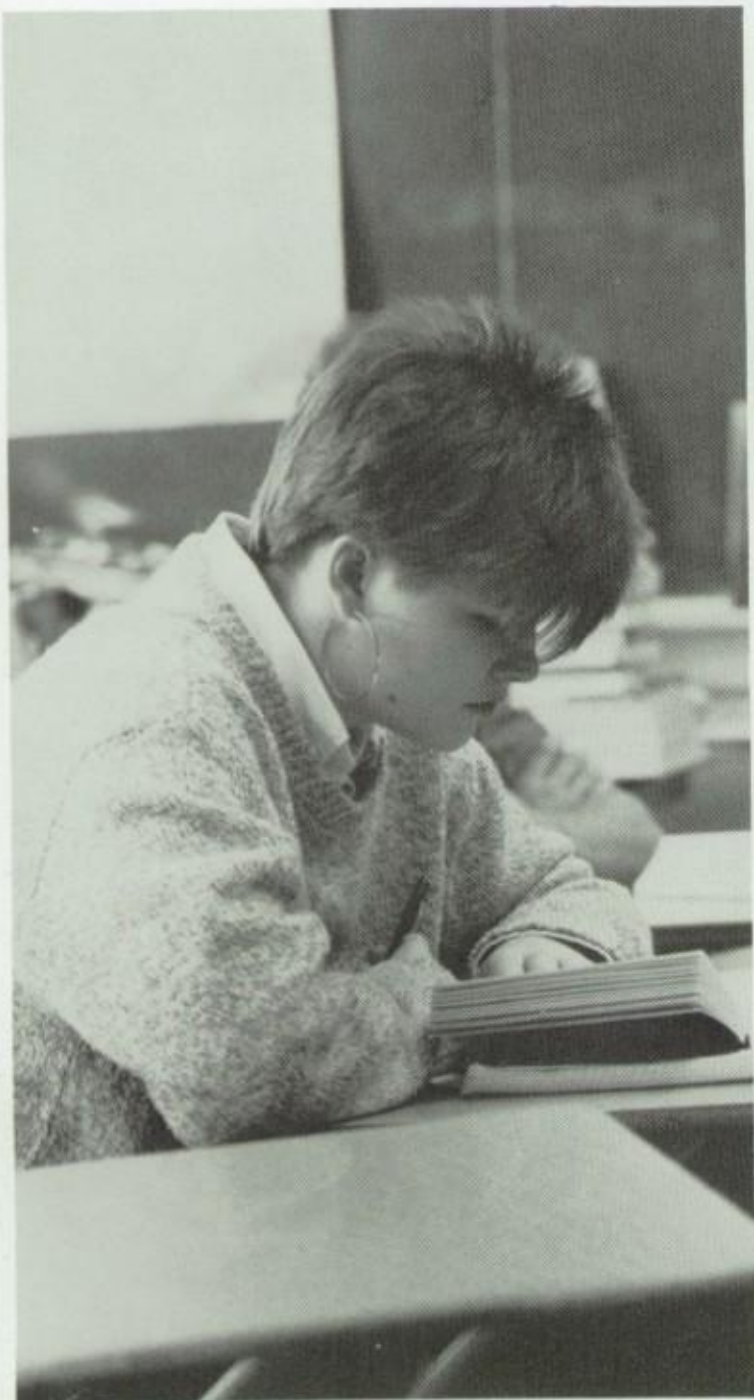

Friendship is a
priceless gift
That cannot be
bought or sold,
But its value
is far greater
Than a mountain
made of gold.

Walter Johnson and Lisa Smedly **(top)** make their entrance during Homecoming halftime ceremonies. Jenifer Yurek **(above)** seems satisfied while Pam Oliver and Lisa Costa **(right)** are fascinated by it all!

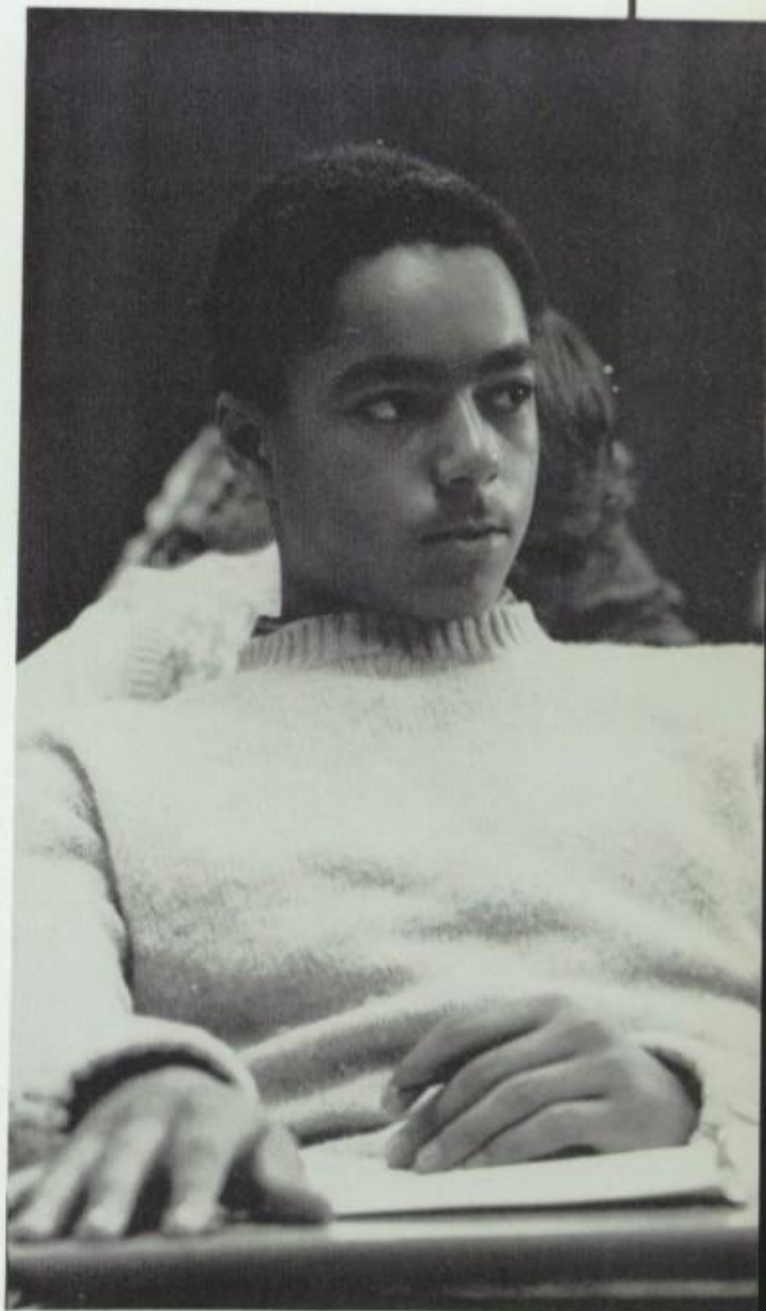

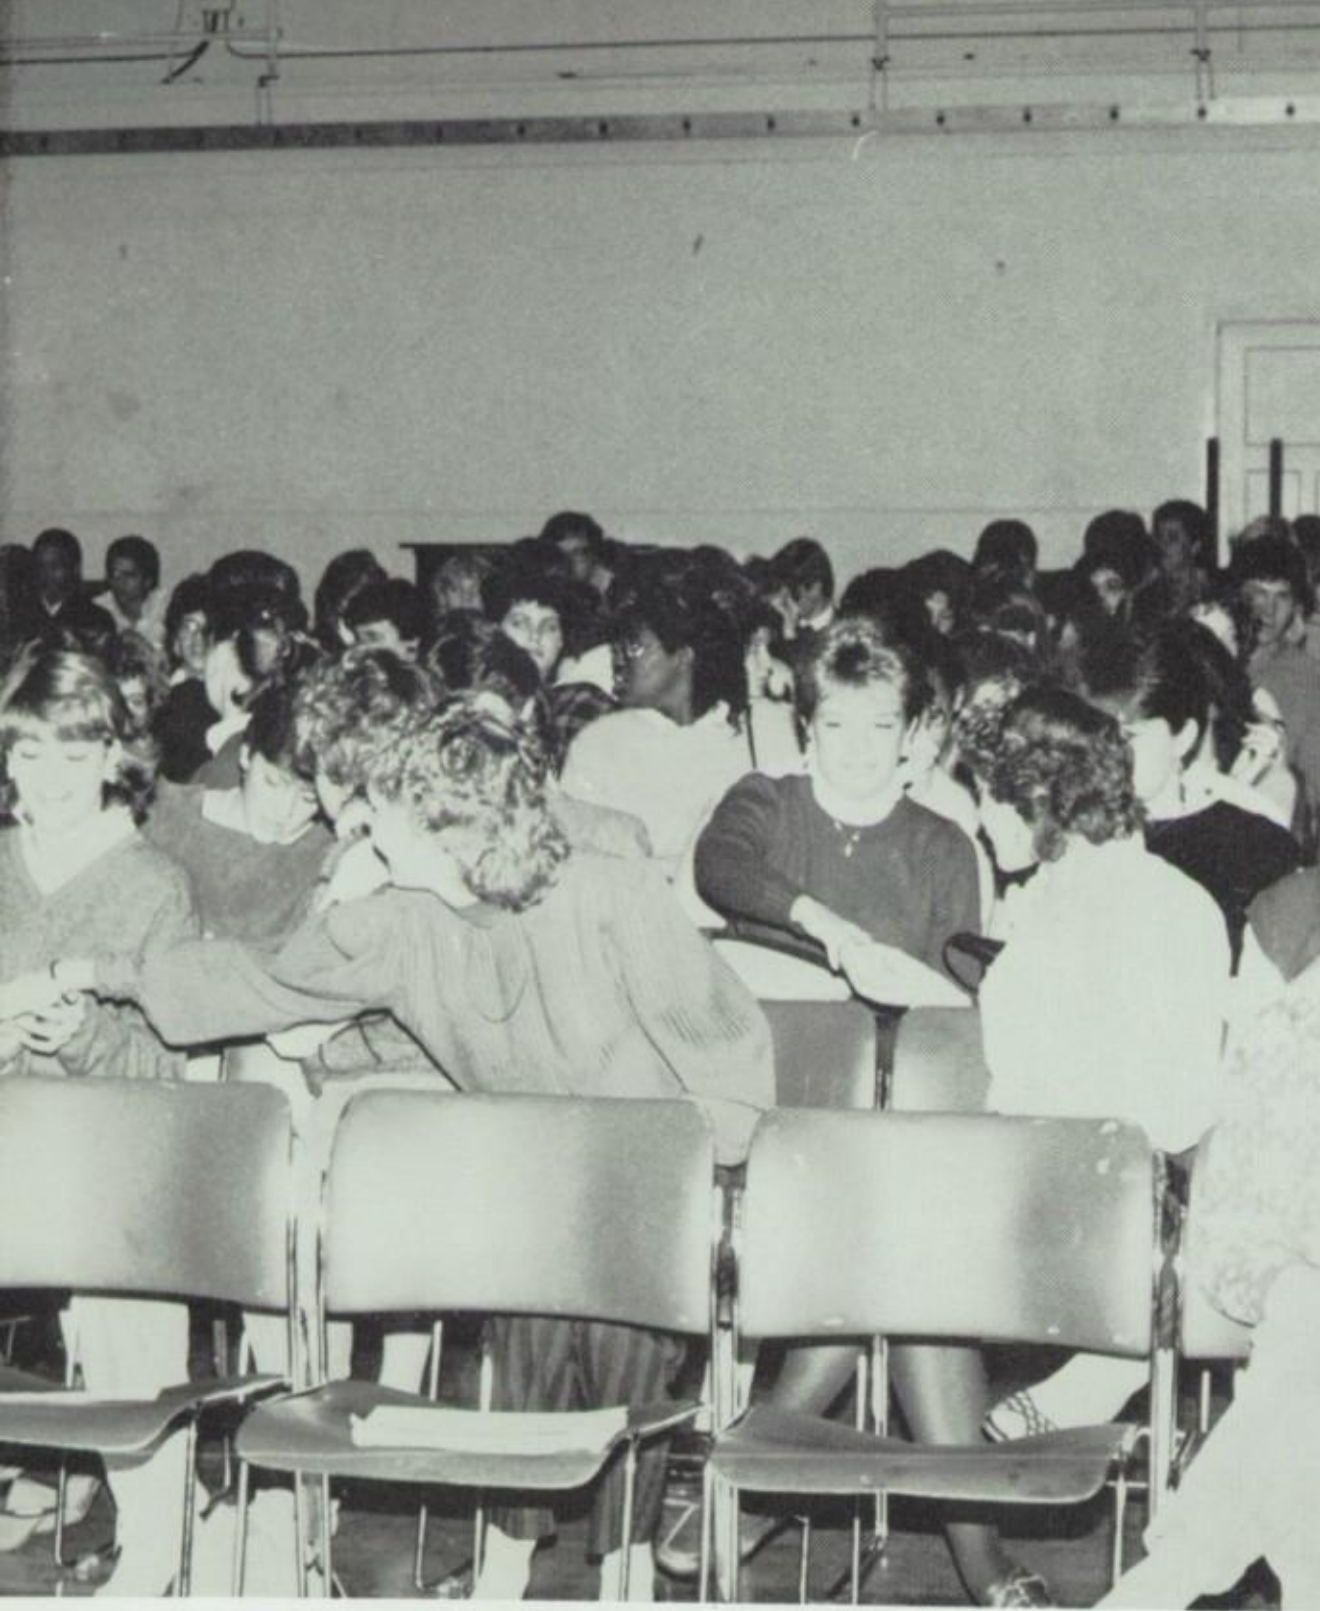

Guy Frazier **(top)** gives his undivided attention to his computer readout. His eyes riveted on the playing field, Marty Christman **(top right)** watches the game action. Rob Byers **(left)** gives his paper a last minute check while students socialize **(above)** at the Homecoming dance.

Deep in her studies is Krista White **(top left)**. Juniors **(top right)** take a minute to check each others' jewelry at the Ring Ceremony. Djuana Matthews looks like she can't find her lunch but her friends, Lori Smedley, Lisa Smedley and Boeey Miebers **(above)** seem in a good humor. Ed Swain and Shawn Davis **(right)** look like they have something to hide.

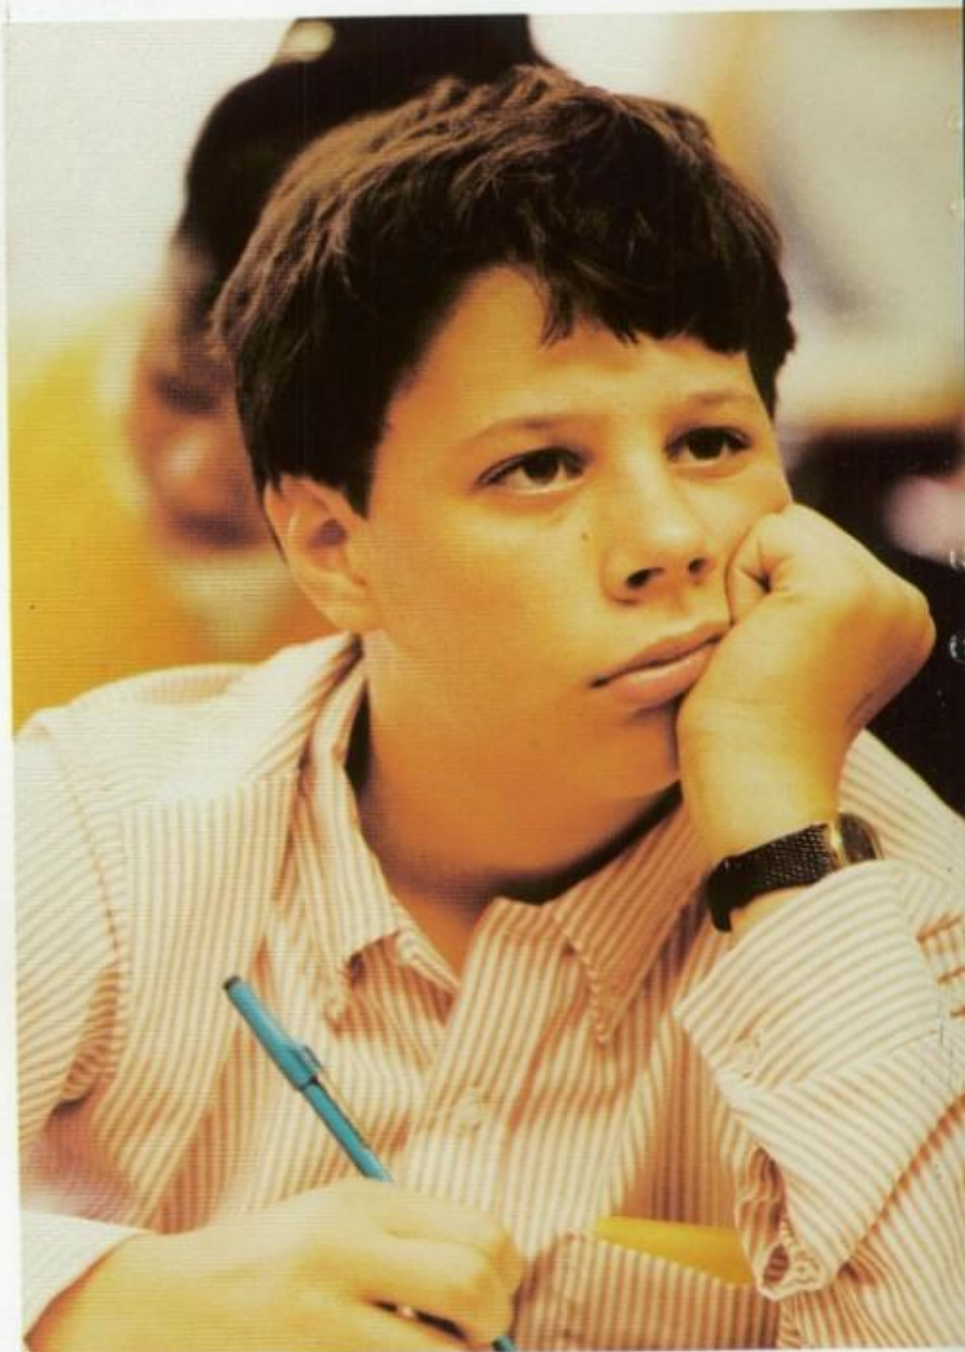

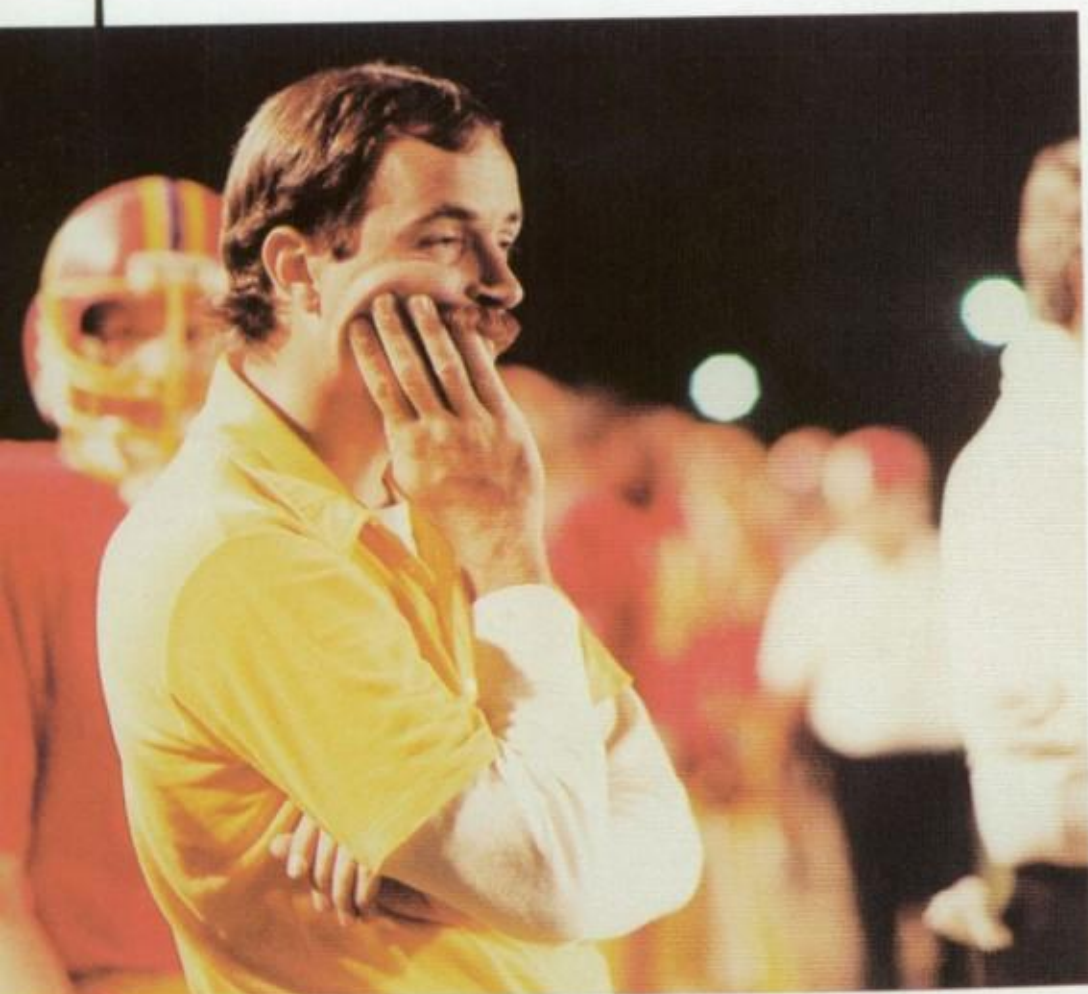

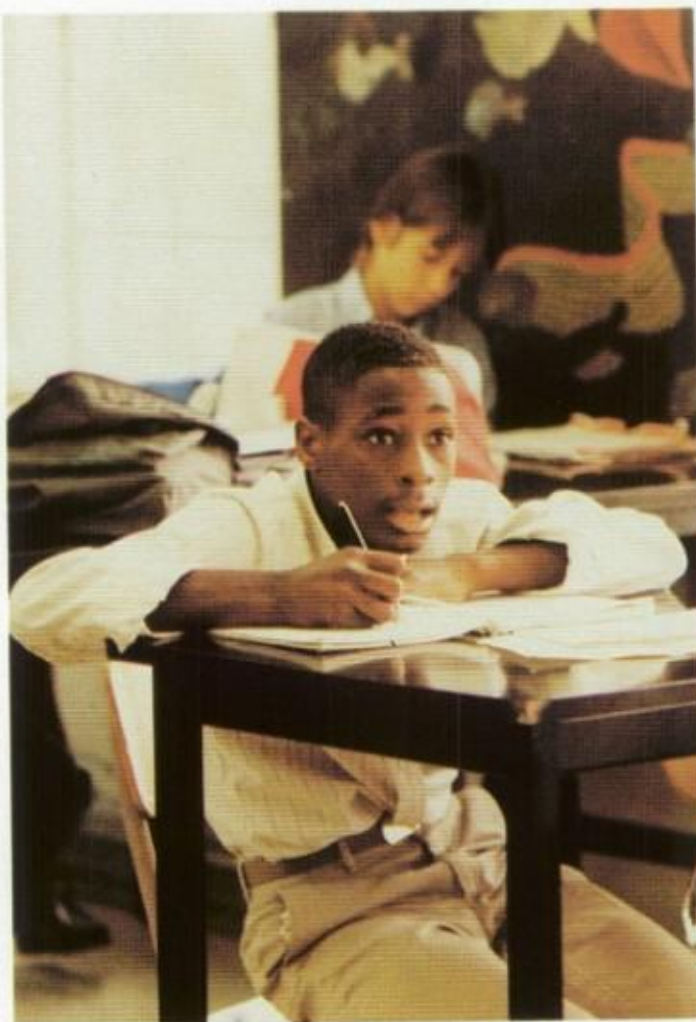

For gold is
cold and lifeless
It can neither
see nor hear

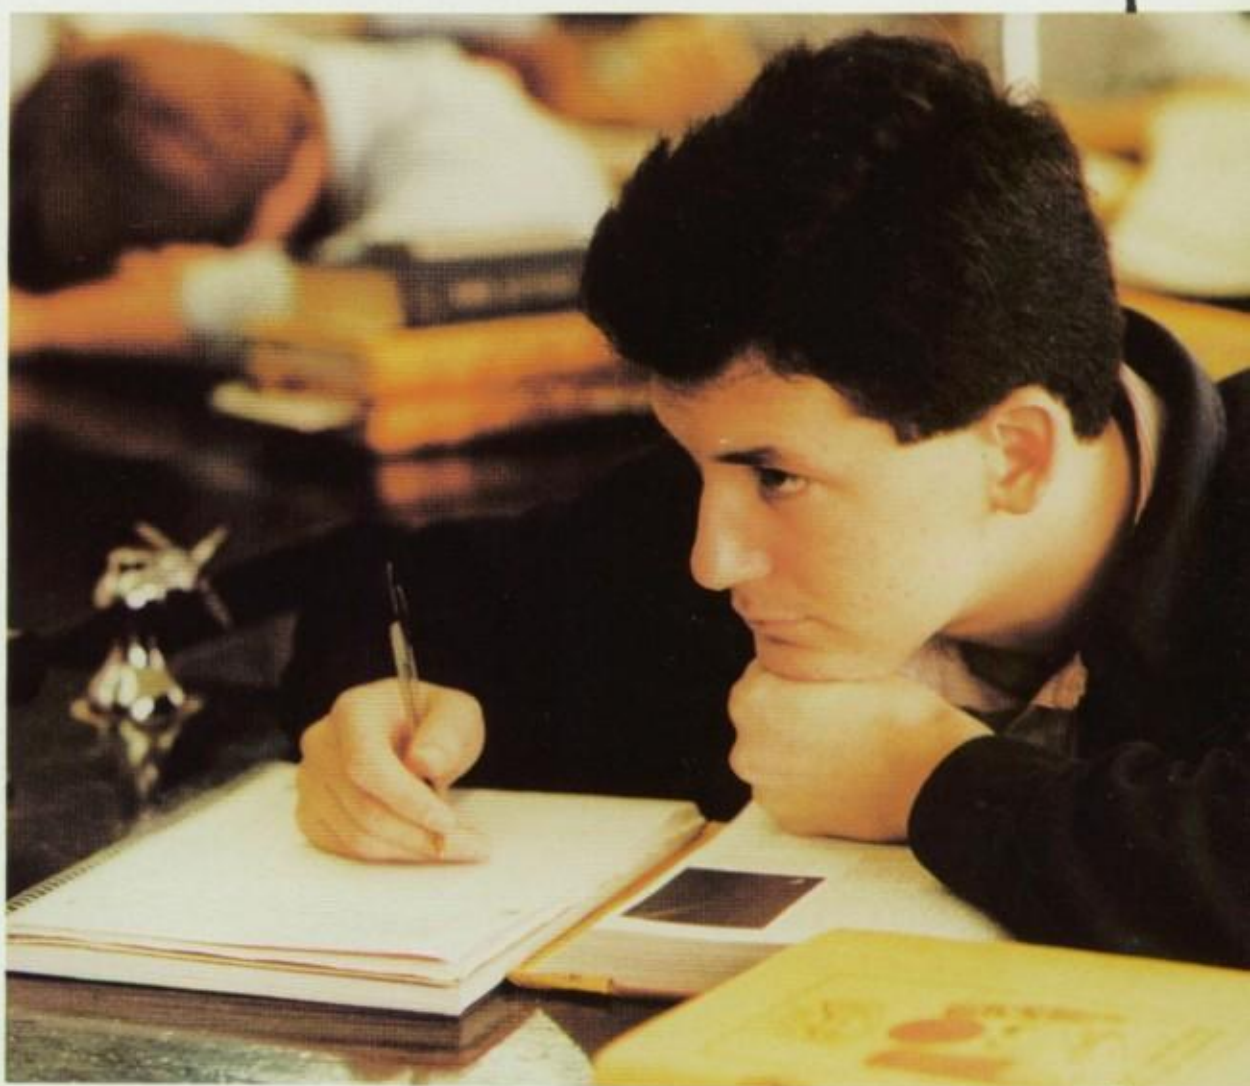

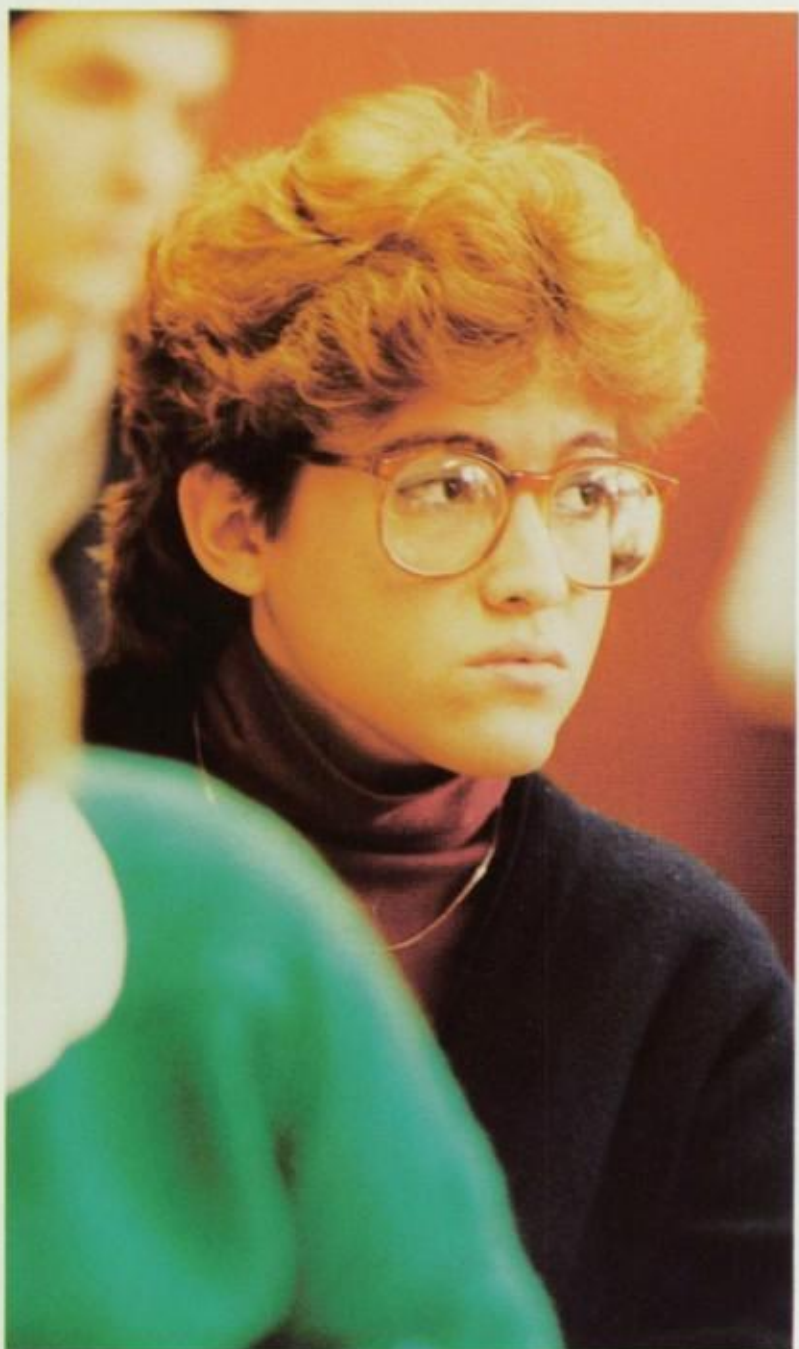

Frank Fields **(above)** pays attention to the lecture and the team gathers 'round **(left)** to pay heed to Miss Chandler during a reserve soccer game.

And in a
time of trouble
It is powerless
to cheer.
It has no ears
to listen
No heart
to understand.

Words cannot adequately describe the wonderful facial expressions produced by Jason Randolph (**top**), coach Tom Stickley (**above**) and Greg Albanese (**right**).

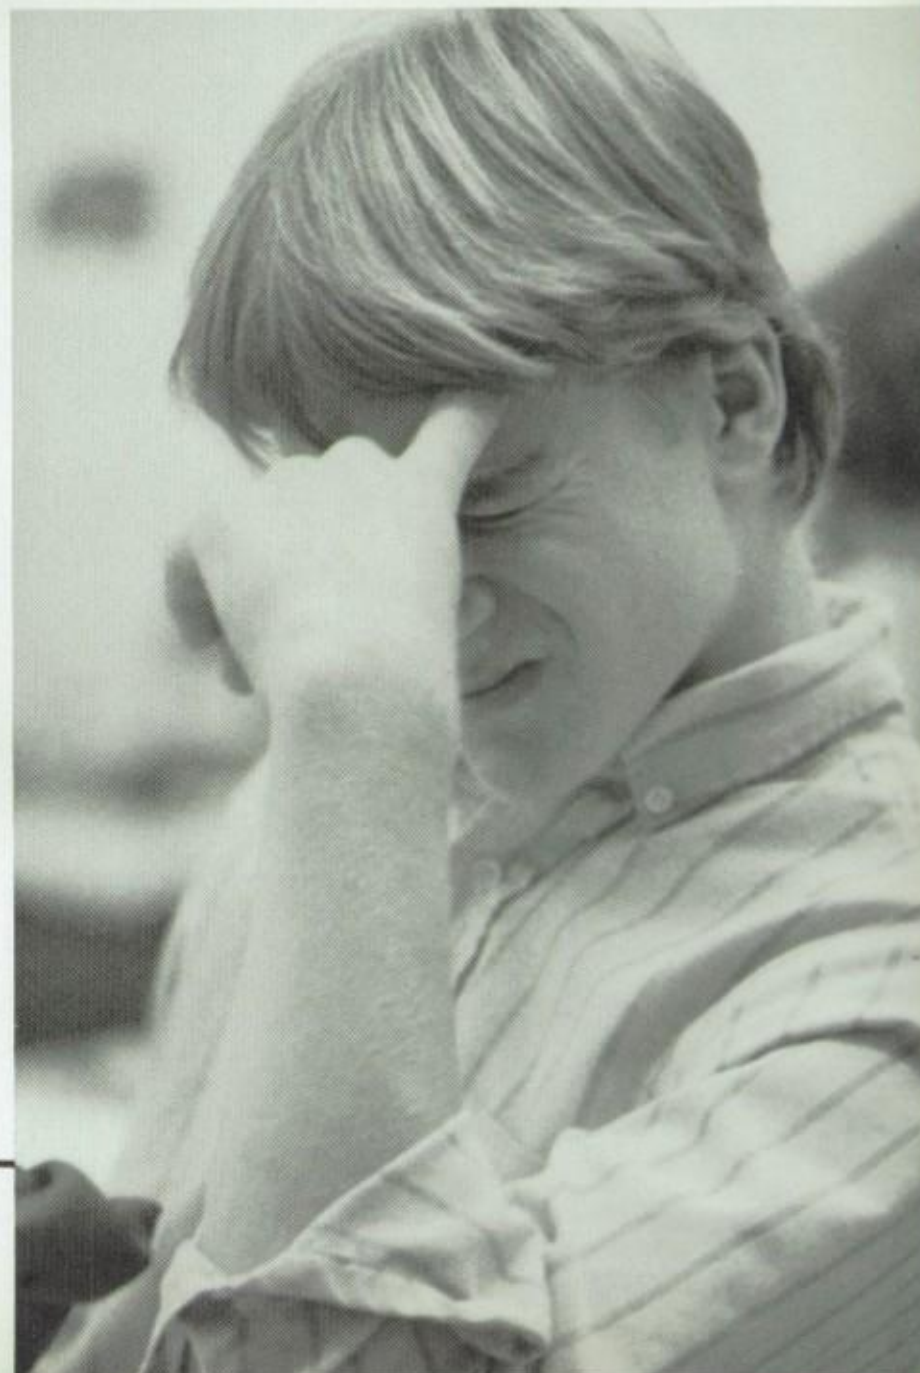

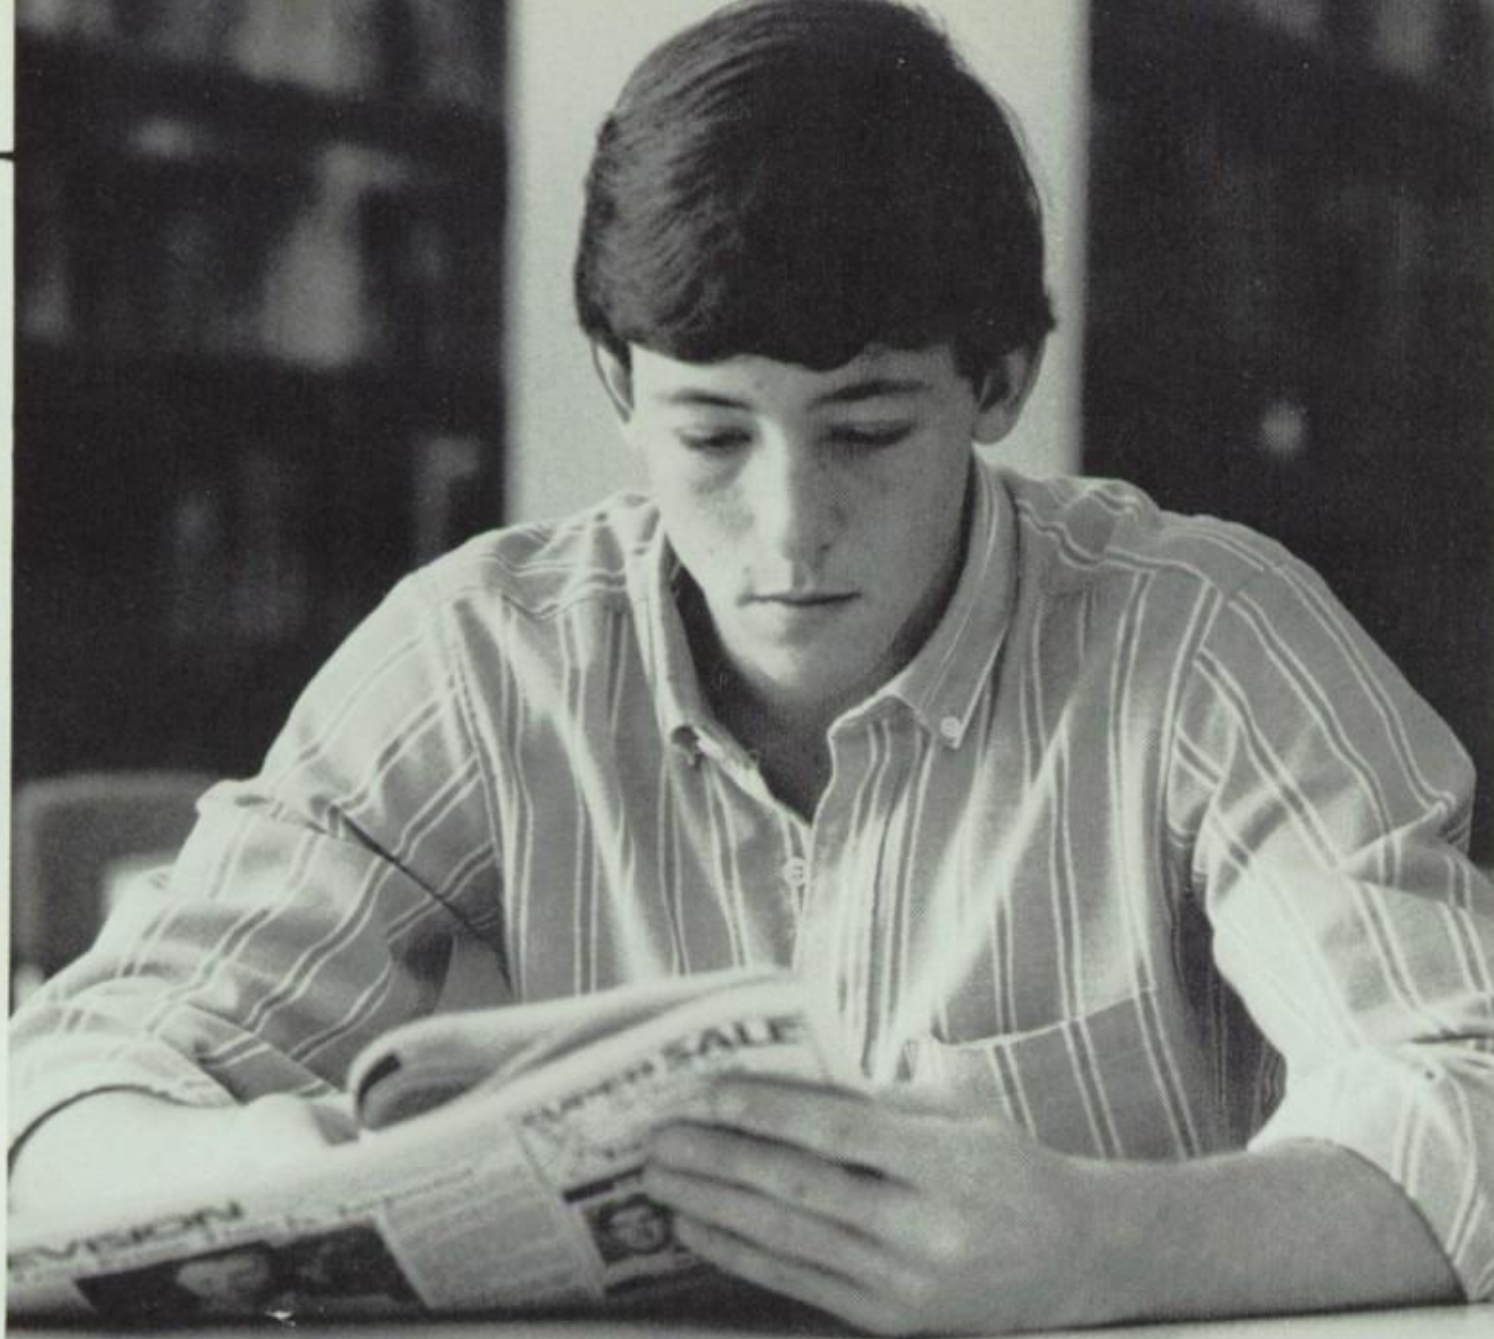

Bob Volk and Anne Sentker **(top)** are caught in a pensive mood while Tom O'Donnell and Susan Dicker **(top right)** smile proudly during Homecoming halftime ceremonies. Meanwhile, Marian Holman **(left)** and Barry Holman **(above)** display rapt attention during class.

It cannot
bring you
comfort
Or reach out
a helping
hand.

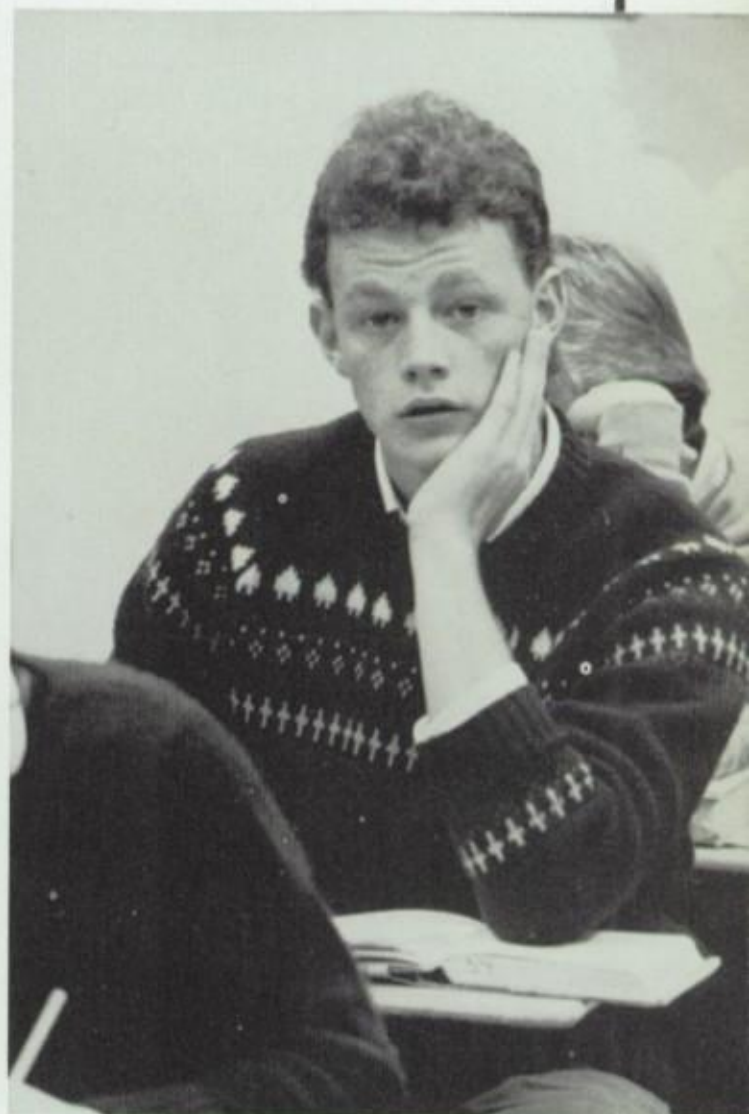

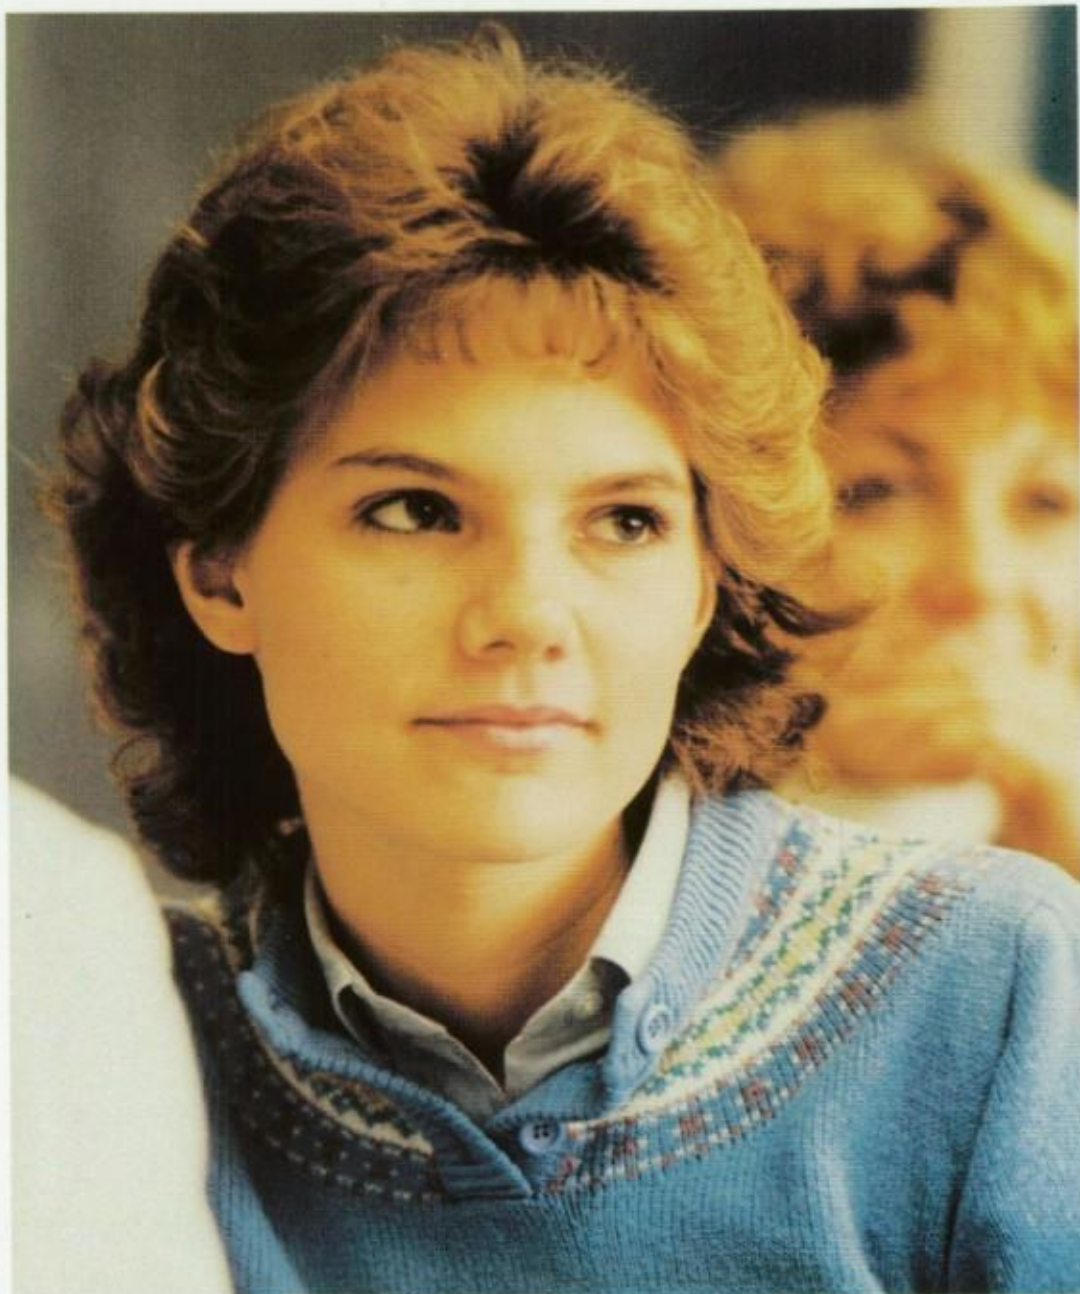

PM students show off their 50's garb on Grease Day **(top)**. Mari Remenowsky and Amy Wagner **(above)** talk things over between classes. And Don Geisz **(right)** goes that "extra" mile for the correct answer!

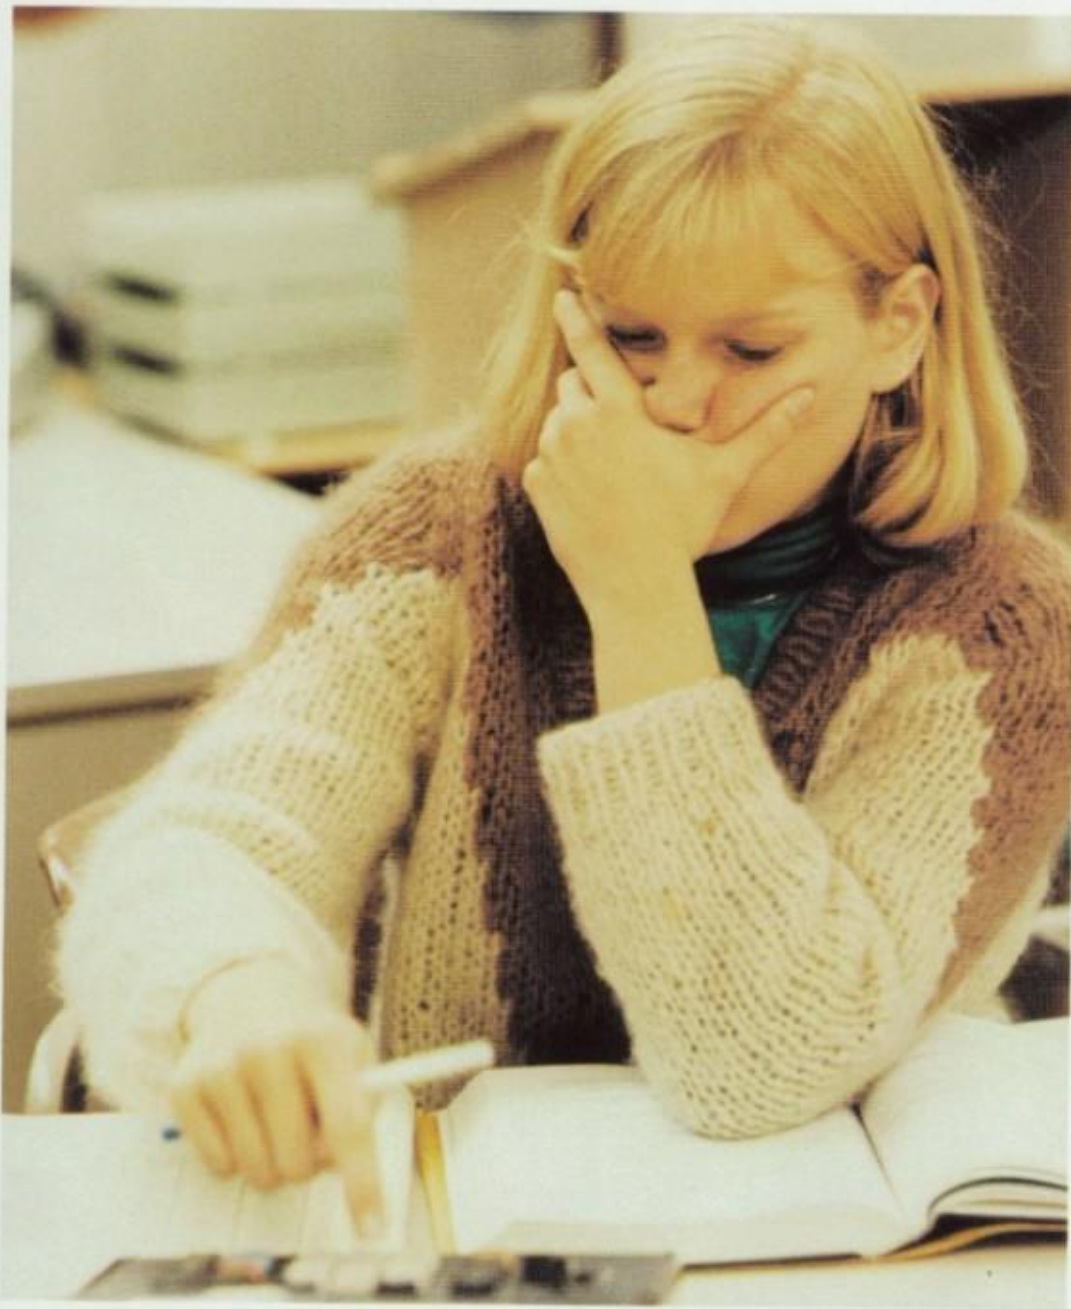

Dan Randle **(left)** spends time in the library reading the morning *Enquirer*. Booeey Meibers **(lower left)** takes a well deserved break while Tim Chrisman **(below)** pauses a moment before committing his answer to paper.

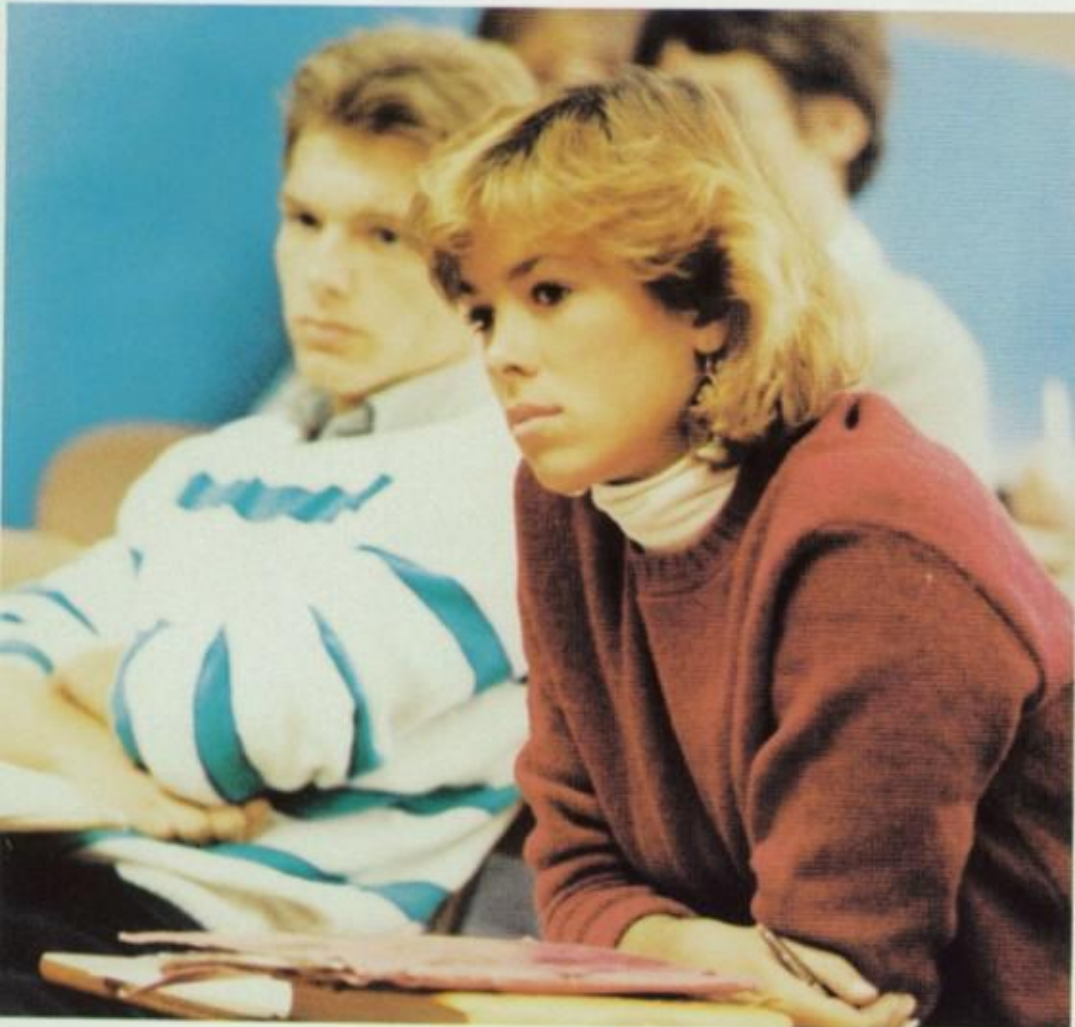

Andrea Dorschug **(top)** is caught in a pensive moment while Kim Lawson and Leslie Fathman **(top right)** display Cavalier spirit on the sidelines. Mike Broyles can't believe Brian Bauer **(above)** knows the answer. And runner Brian Helms **(right)** pulls away from his Bacon opponents.

So when
you ask
for a gift
Be
thankful
that
they send,

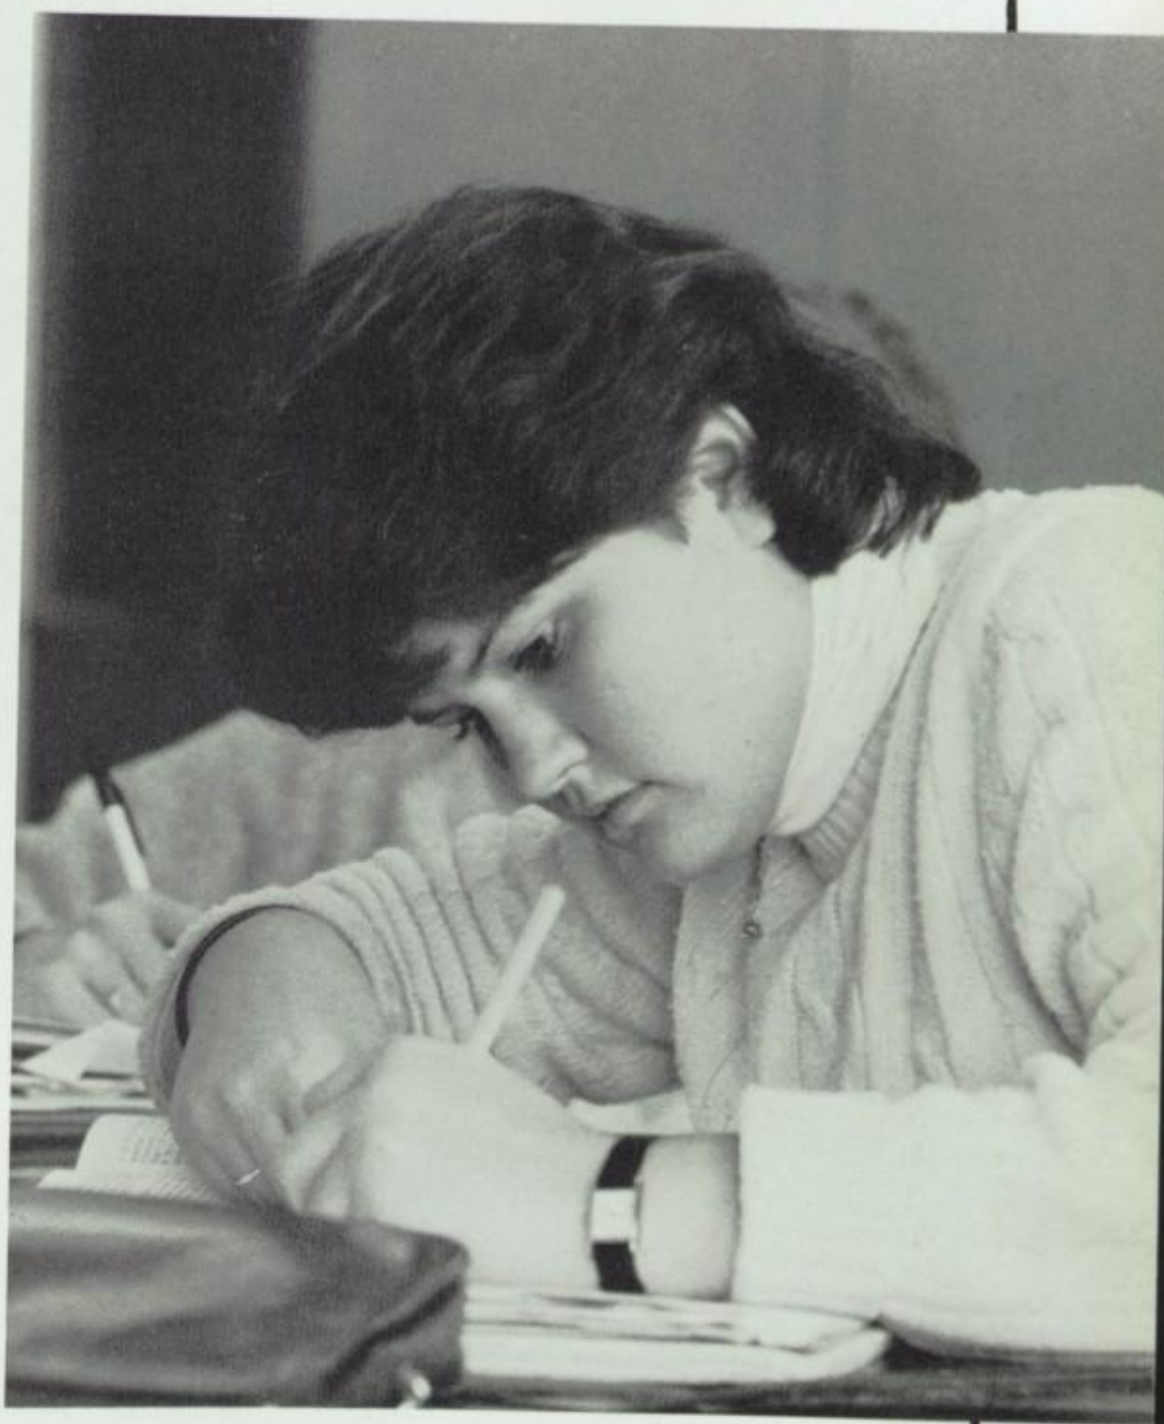

Sherri Pierce **(top)** takes a minute to refigure her calculations. Erol Acto and Tori Visser **(left)** are deep in thought while Sherri Bodeker, Leslie Fathman and Trci Caliguari **(above)** share happy times at the Homecoming Dance.

Not diamonds,
pearls or riches
But the love
of a real
true friend.

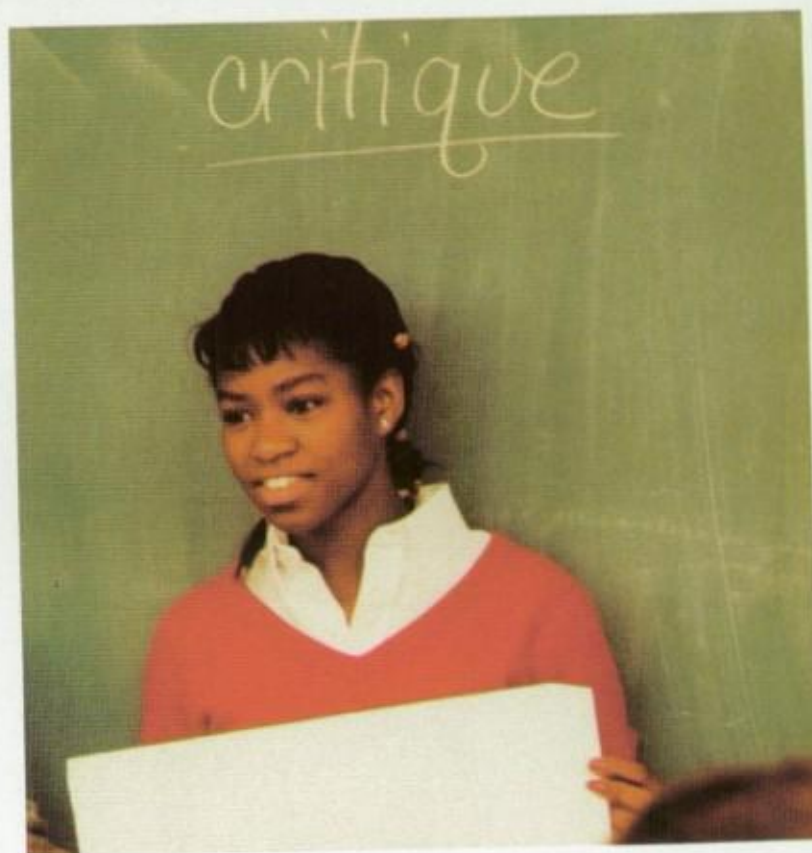

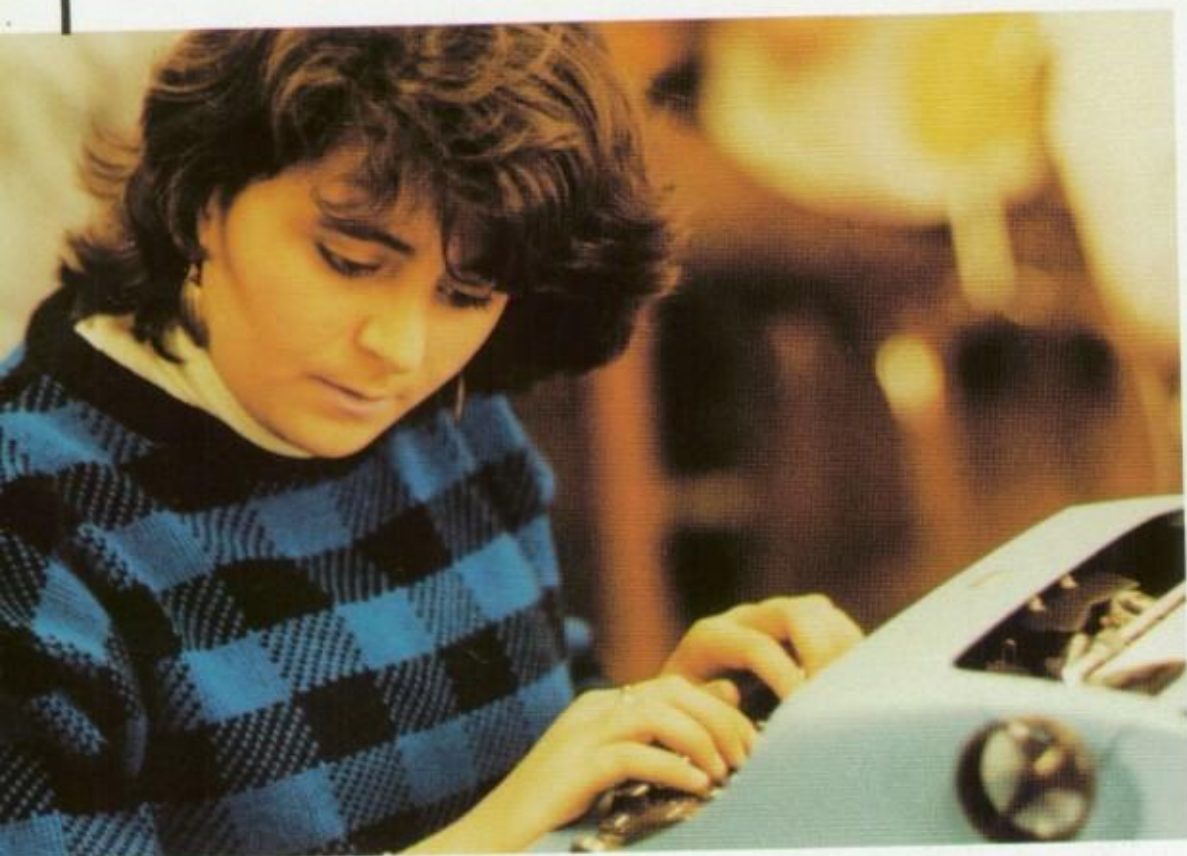

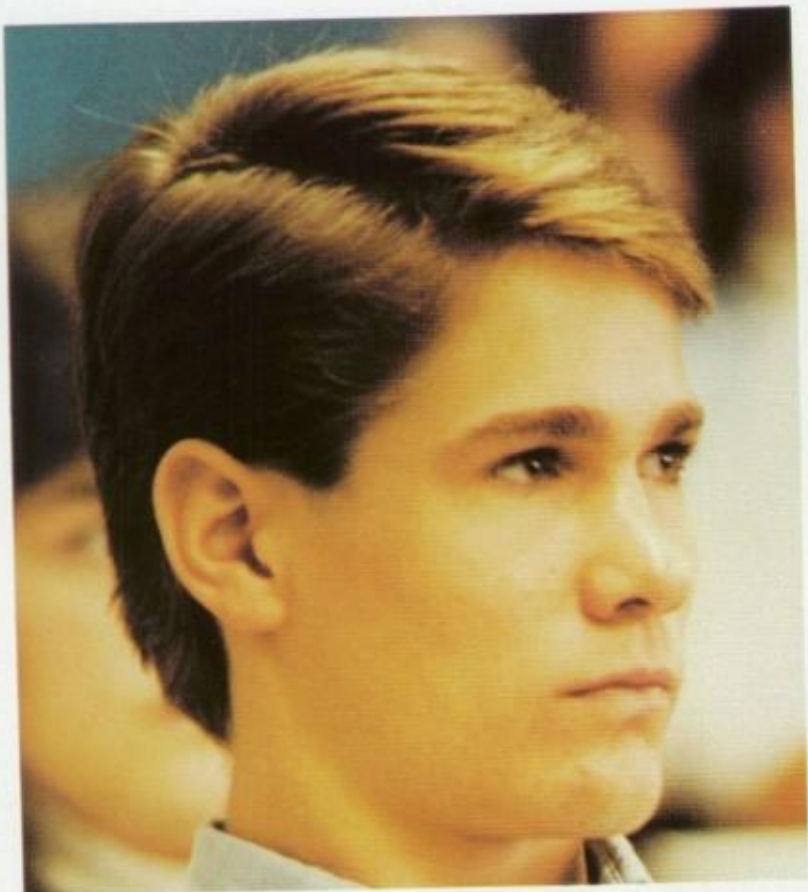

Todd Machnovitz

Walter Johnson **(top)** digs in during his favorite subject — lunch! Brian Martin keeps his pen busy while Mike Moehring **(above)** gives his a rest. Joey Steuer **(center)** ponders his next answer, while Sue Bullock **(right)** looks like she has the answer.

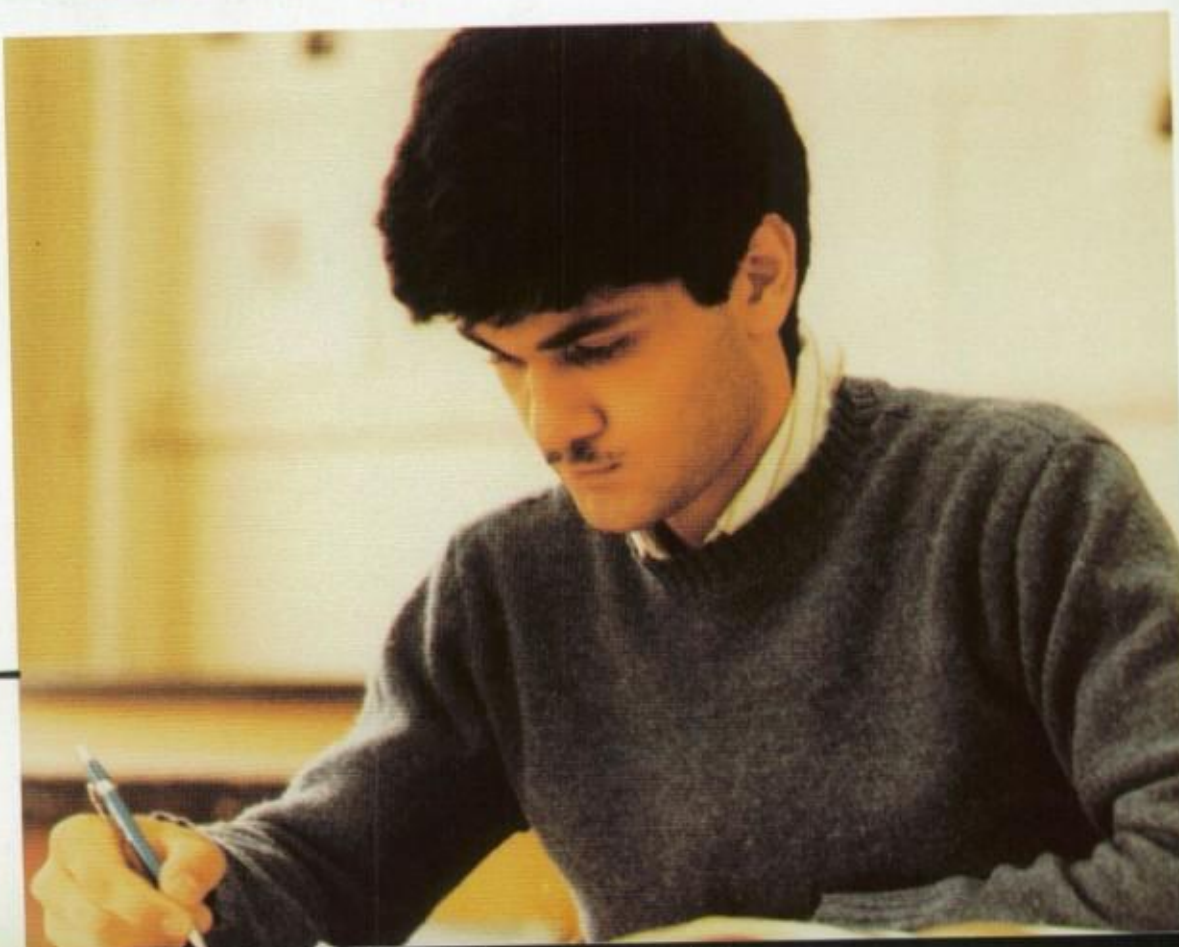

Brian Kelly (**top left**) concentrates on his typing, Tori Vissor (**top right**) pretends she's concentrating while Kelly Babb (**above**) gets down to it with the *correct* answer.

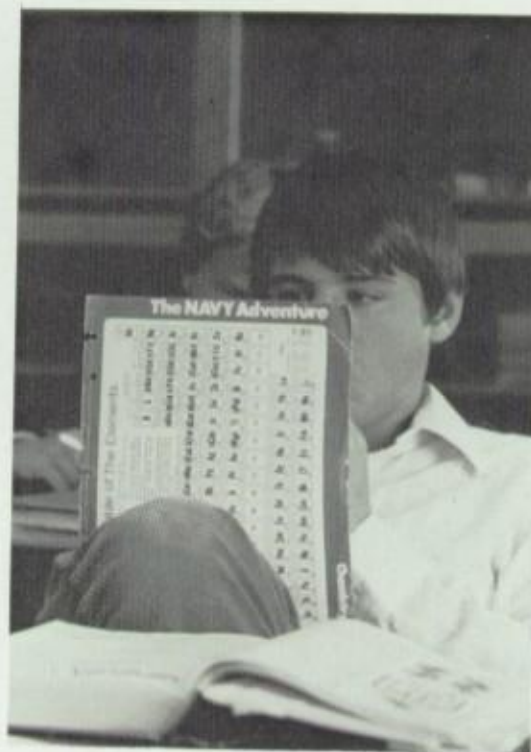

Purcell Marian faces of friendship include Matt Scott **(top left)**, Liz Alexander **(top right)**, Marcy Boutross **(above)**, Lytonya Kennedy **(center)**, and Jimmy Katsaounis **(right)**.

**We must always have
old memories
and young hopes.**

GRADUATION

On June 3, 1985, the Seniors held their graduation exercises at St. Peter in Chains Cathedral.

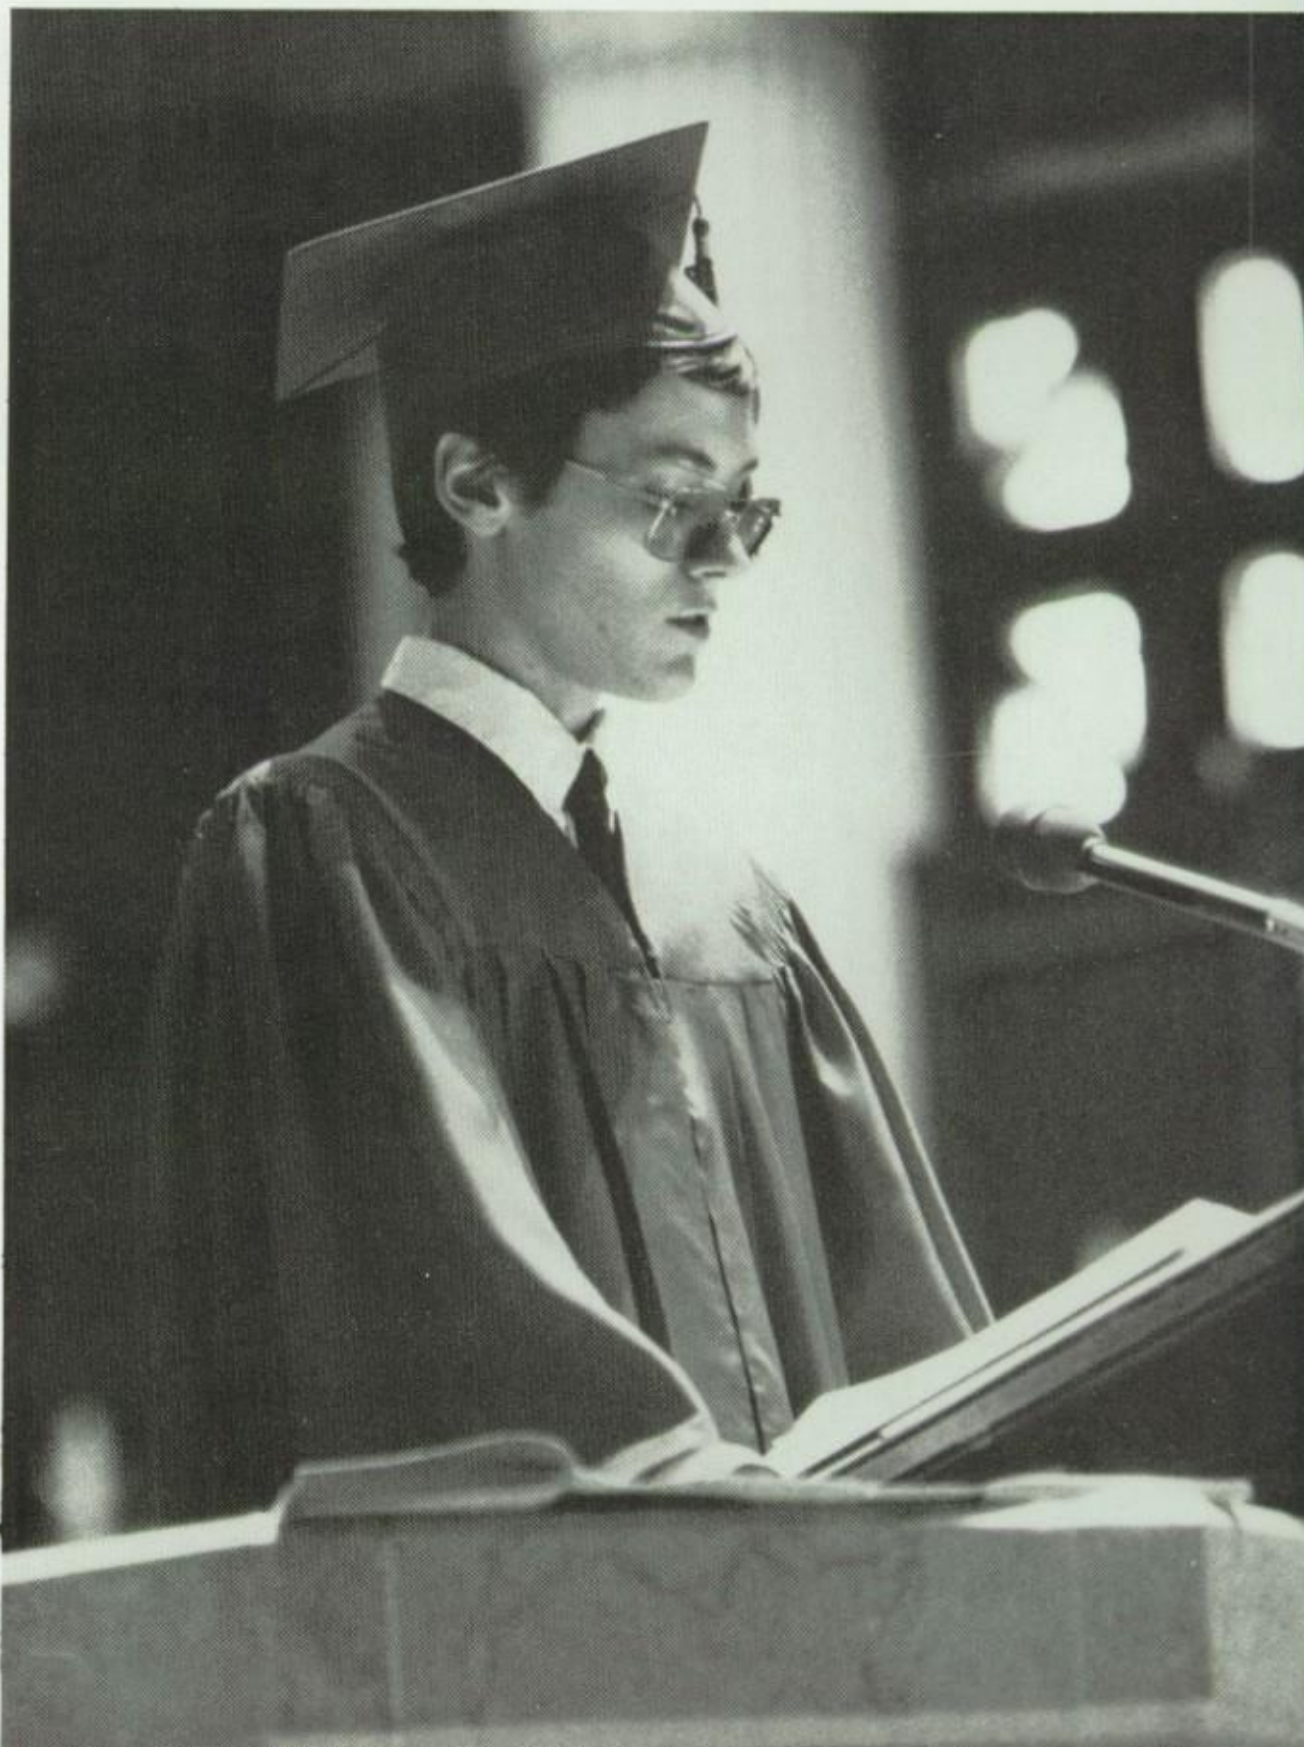

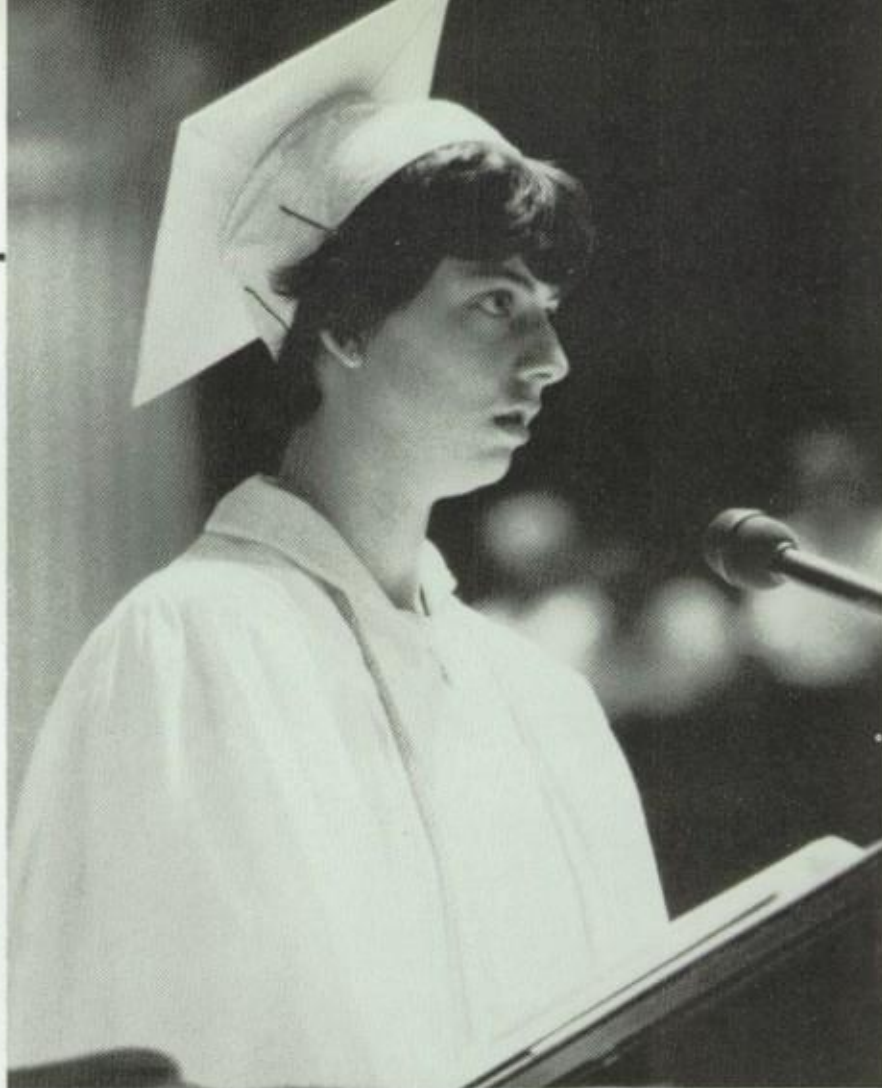

Proud parents and family members watched as their sons and daughters proceeded down the aisle, robed in Crimson and White. The ceremony began with a Call to Order by Joan Bens, followed by the Liturgy of the Eucharist, celebrated by Fr. Kip Stander.

The Mass itself was rich in tradition with music provided by the band and choir members.

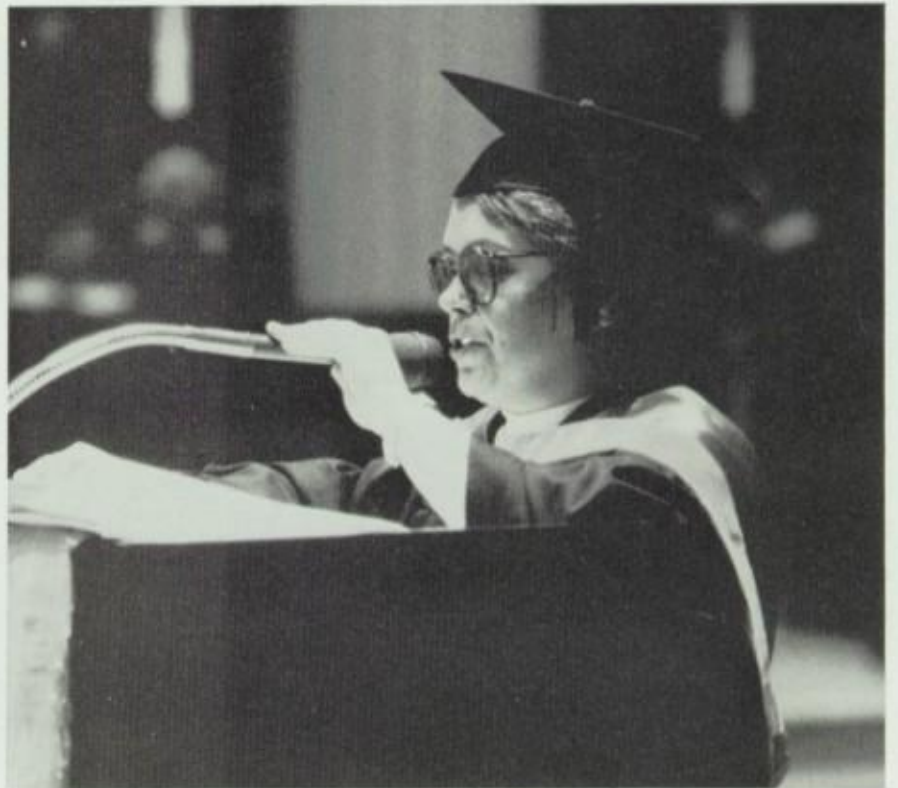

Following the Mass was the conferring of Diplomas and Awards by Bro. Dennis Johnson and Dr. Michael Flick. Sr.

Teresa Dutcher was the announcer as 212 graduates, one by one, received their diplomas. Honor Graduates received trophies and the *Praestans Inter Omnes* Awards were given out by Bro. Johnson to their proper recipients.

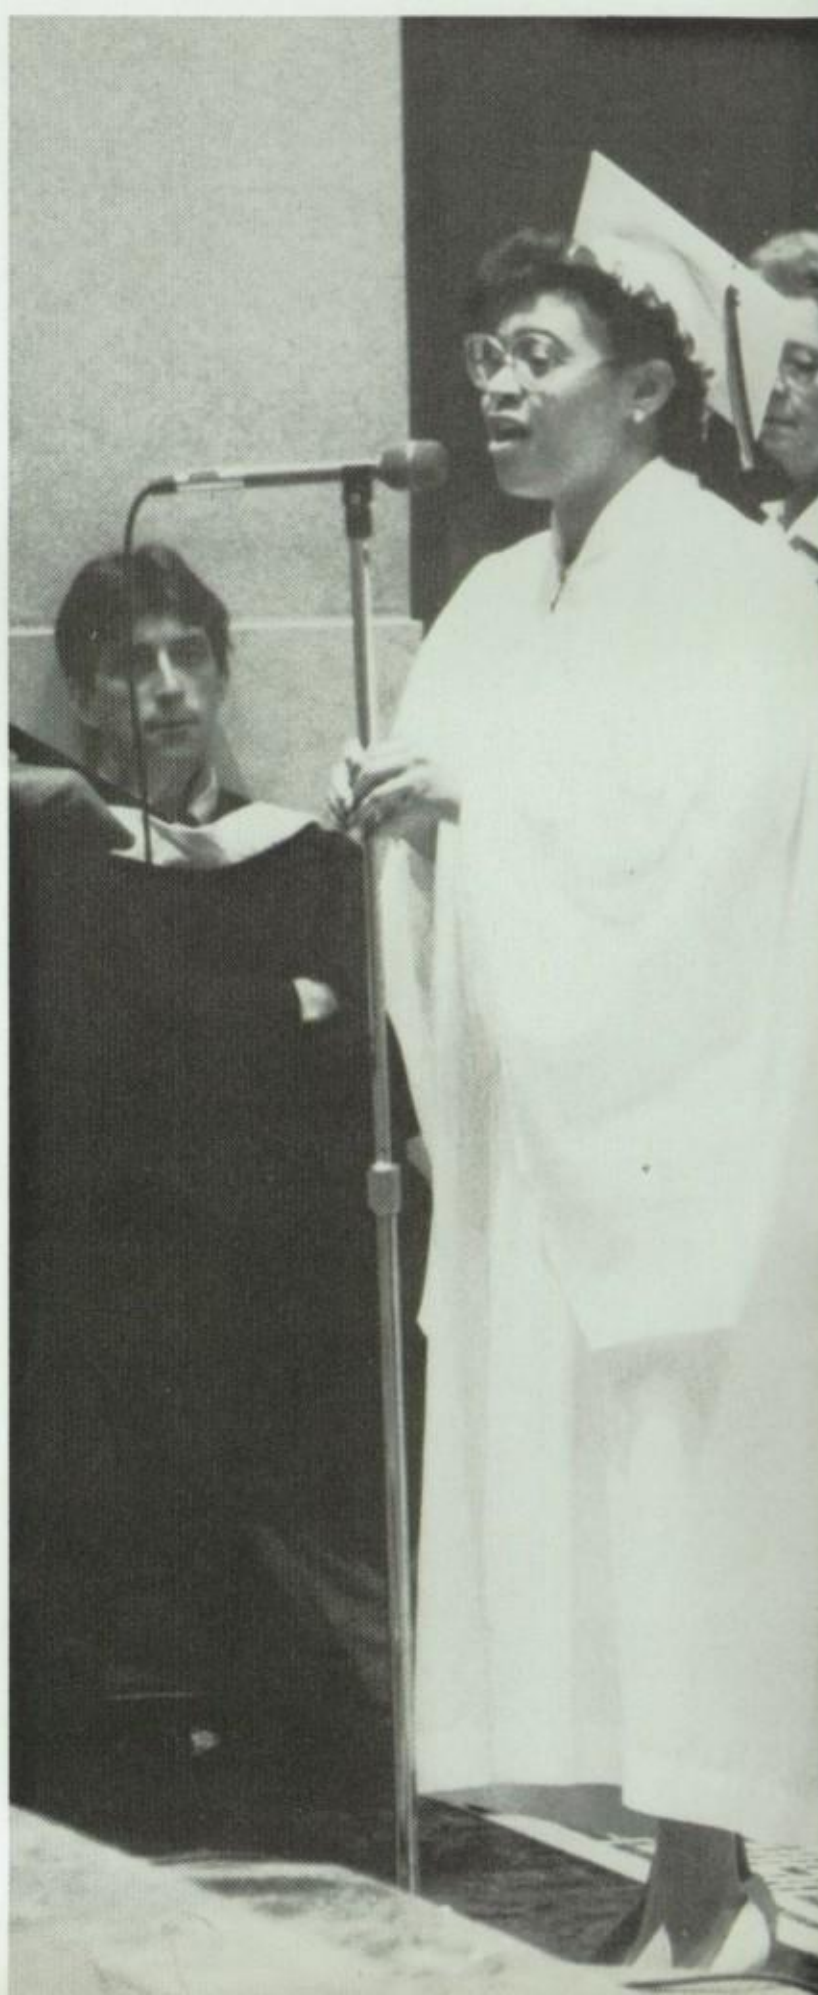

Finally, a farewell was given by Maria Kollner, and once again the ceremonies ended being a joyful occasion.

SPORTS

Varsity Football

The 1984 Varsity Football Team struggled through their second straight losing season with a 3-7 record. In 1984, the Cavaliers felt a winning season was a real possibility with 5 starters returning on offense and 4 returning on defense. This goal was soon lost, however, as the Cavaliers suffered some early season injuries and ran into a difficult schedule,

playing five 9-1 teams 4 of which qualified for the playoffs.

The highlight of the season was Purcell Marian's outstanding victory over Roger Bacon in the last game of the season. For the Seniors, who showed strong leadership and dedication throughout the season, this was the payoff for all their hard work.

Reserve And Freshmen Gridders Show Promise

The 1984 Reserve Football Team showed a great deal of determination and character in achieving a 3-6 record. While spending a great deal of time working with the varsity team, they were still able to practice enough as a team to prepare for a nine game schedule.

After an opening loss to Norwood, the Reserves came back to defeat McNicholas, Lakota, and St. Rita's; while losing to Hamilton Badin, Elder, St. Xavier, Roger Bacon and La-

Salle.

The Reserve Team consisted of 31 boys — 8 Juniors and 23 Sophomores which gives depth for next season.

The team was coached by Mr. Jim Koch.

The Freshman Football Team came into the season with speed, size, and a lot of talent. It took two early setbacks before they gelled as a team, but once they did they played exciting football. The Freshmen were coached by Mr. John Wysong.

Fast Start Propels Lady Cavs To Hot Season

The 1984 Varsity Volleyball Team worked hard in the pre-season to wipe away the 4-17 record of the 1983 season and to make 1984 a winning season. The season got off to a very quick start with the Lady Cavs playing 7 matches in 10 days, and picking up 7 victories. As if early season inexperience wasn't enough for the young Cavalier squad, they then had to face a difficult schedule. During the next 16 matches, 10 were against teams that were presently or

had been ranked in the Top 10 in the city. Thus, it can be said that Purcell Marian faced one of the toughest schedules in Southwest Ohio. The only negative spot of the season came when the #1 seeded Cavaliers fell in opening round District play to Western Brown. The Cavaliers ended the season ranked in the Top 10 (8th), a position they held for 7 straight weeks. Their season record was 15-9, and they were coached by Mike Liugenfelter.

Weak Second Half Dooms Reserve Volleyballers

The 1984 Reserve Volleyball Team started their season with a quick 5 victories, then after two loses, completed the first half of the season with a 7-2 record. The second half of the season, because of injuries and sickness, the team lost some of its front line strength and never regained their winning ways.

Although having a losing season, many individuals performed well and showed great improvement throughout the season. These improvements will be shown next year as the Varsity and Reserve Teams take to the floor next season.

The team was coached this year by Mary Matthews.

Lone Cav Swimmer Makes GGCL All-Stars

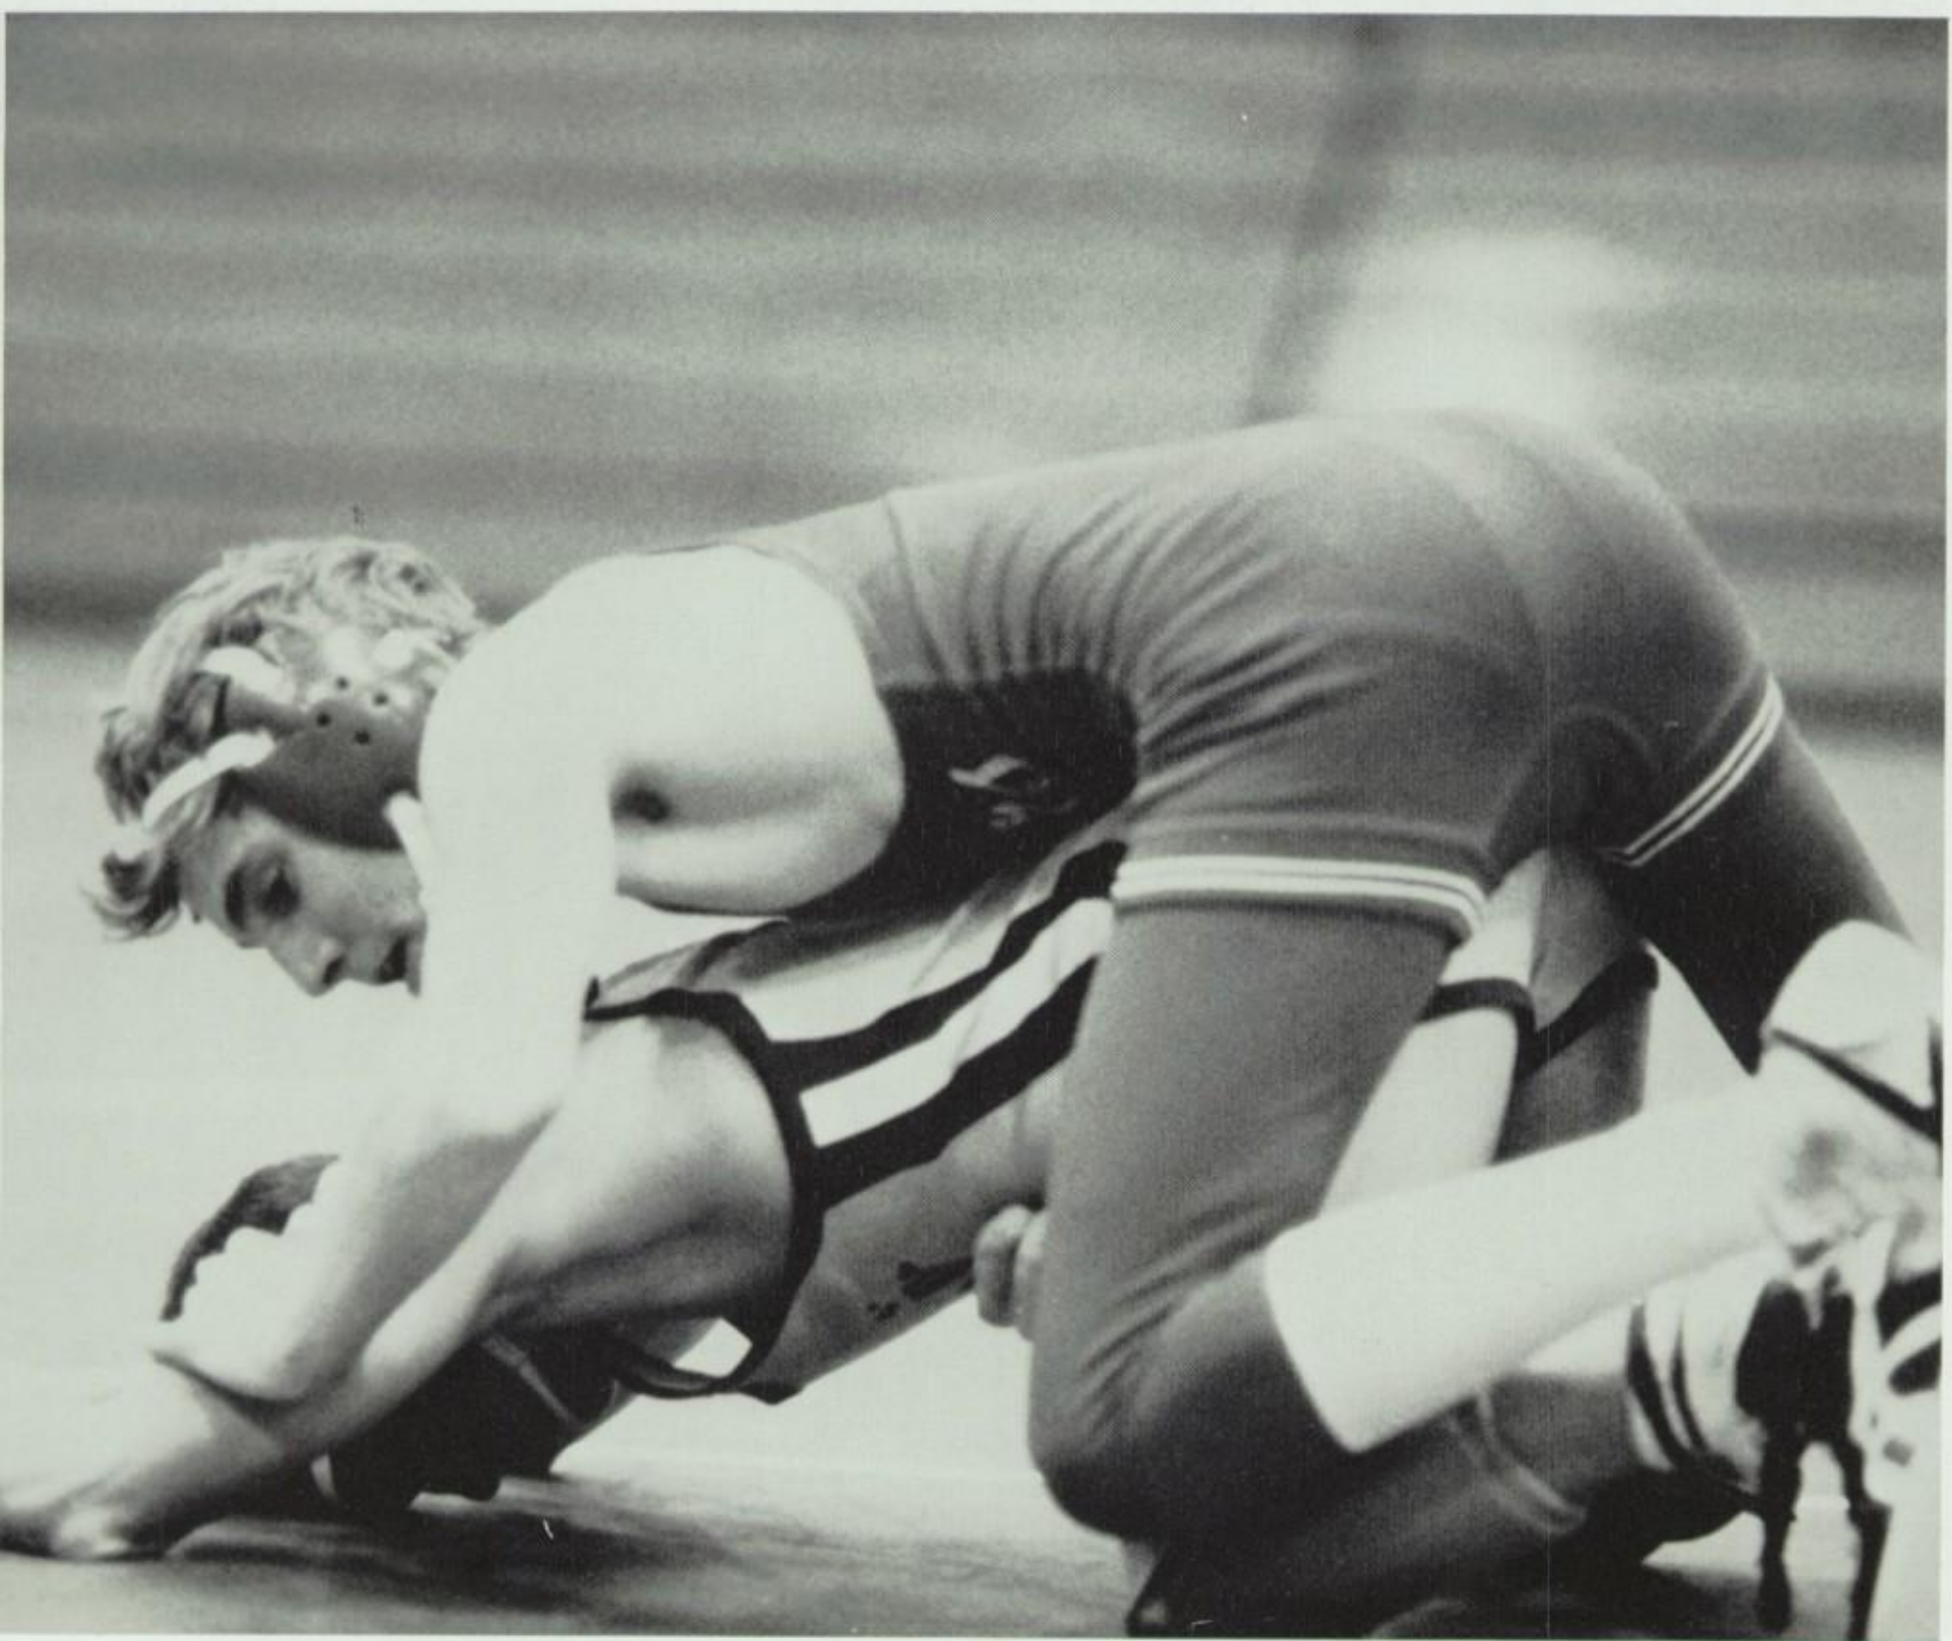

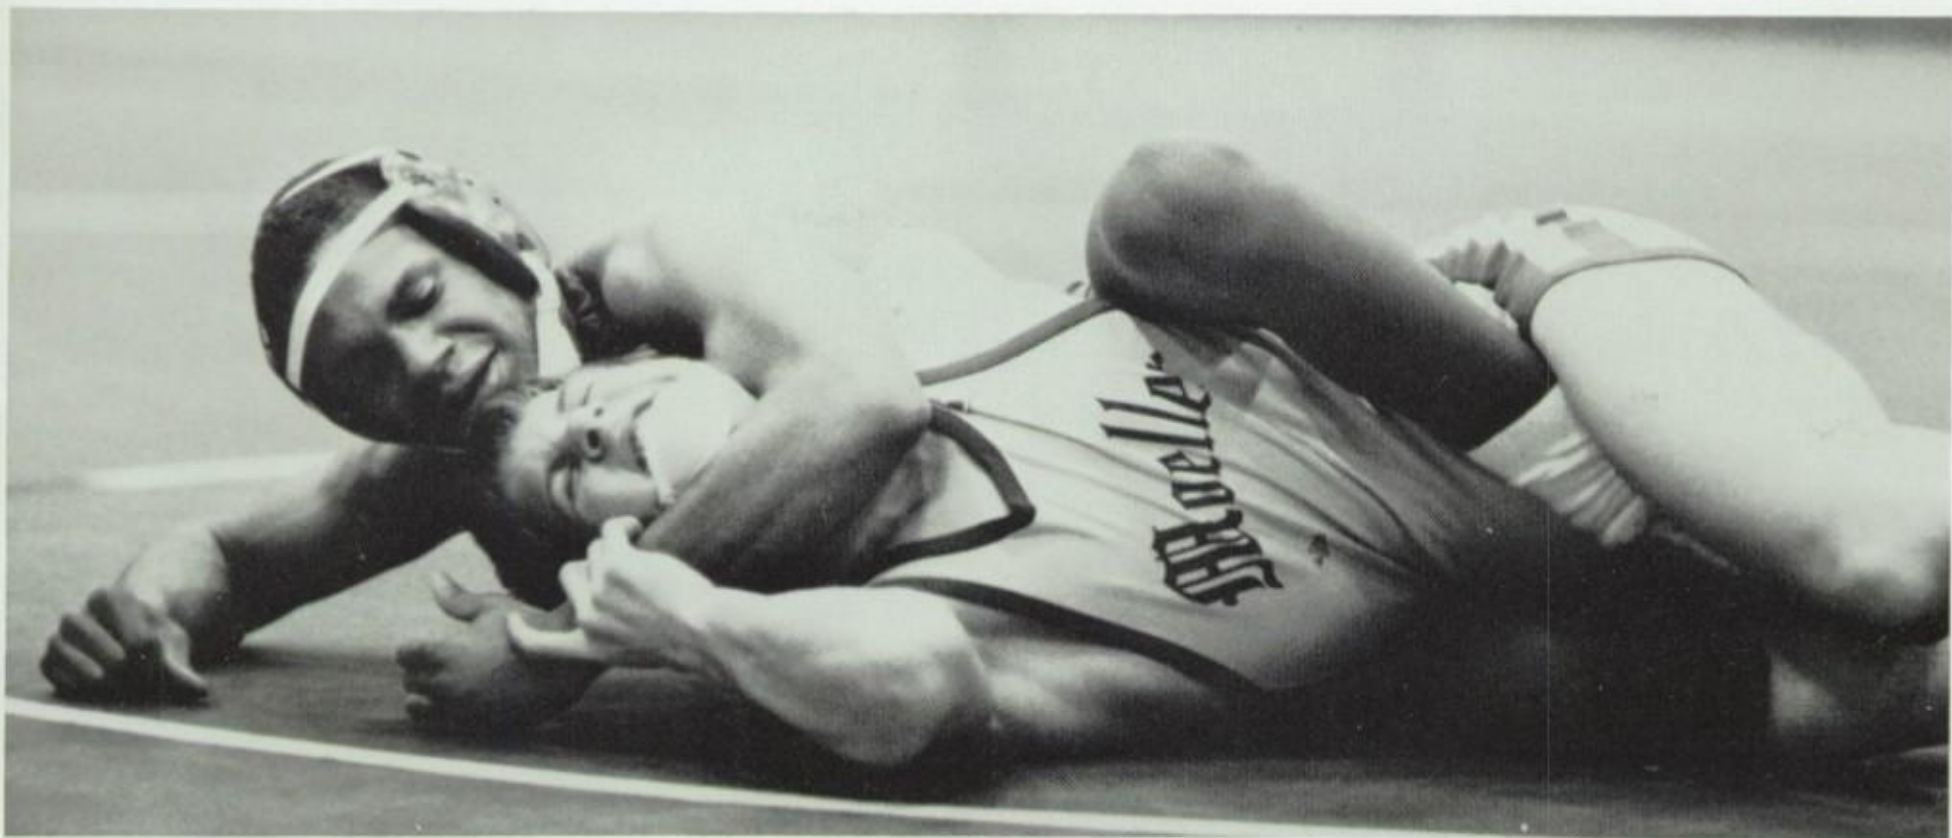

Since the team had only one member, it was impossible to score points in a meet. Erin Cameron had a winning season anyway with individual victories in Walnut Hills dual meets. In the Southwest Ohio Coaches Swim Classic, Erin finished very well. In the GGCL League Championship, she finished first in the 100 freestyle. This qualified her for the GCL All Star First Team. She also broke the league record for 50 freestyle, but her record was then broken and she placed second. Erin swam at Sectionals and qualified for the District meet. At Districts she swam well but just missed making State. The top 24 go to State and she was 25th. Despite that it was a successful season. Erin was coached by her mom, Mrs. Jan Cameron.

Varsity Basketball Wins State Title

The 1984-1985 Purcell Marian Basketball team accomplished the impossible dream of winning a State Championship. They did this through totally unselfish play and fantastic defense. They had the unique ability to play up tempo basketball or were able to slow it down and run a patient offense, depending on the opponent.

The team had outstanding senior leadership from Brian Helms, Rick Hassel, Dave Kiley, John Iacofano, Monte Mathis and Tom O'Donnell. These men provided the hustle which inspired the underclassmen to do the same.

The team started out with 6 straight victories which included a win over long time enemy Elder 77-67. Following a loss to #1 ranked McNicholas before the largest crowd ever at Purcell Marian the Cavs won the

next four straight. Following two consecutive losses by 2 points each, to Elder and Fairfield, the Cavaliers went on a tear. They reeled off 14 straight victories which ended with the First State Basketball Championship in the School's history.

Along the way they defeated Roger Bacon High School to clinch the GCL Title for the first time in 16 years.

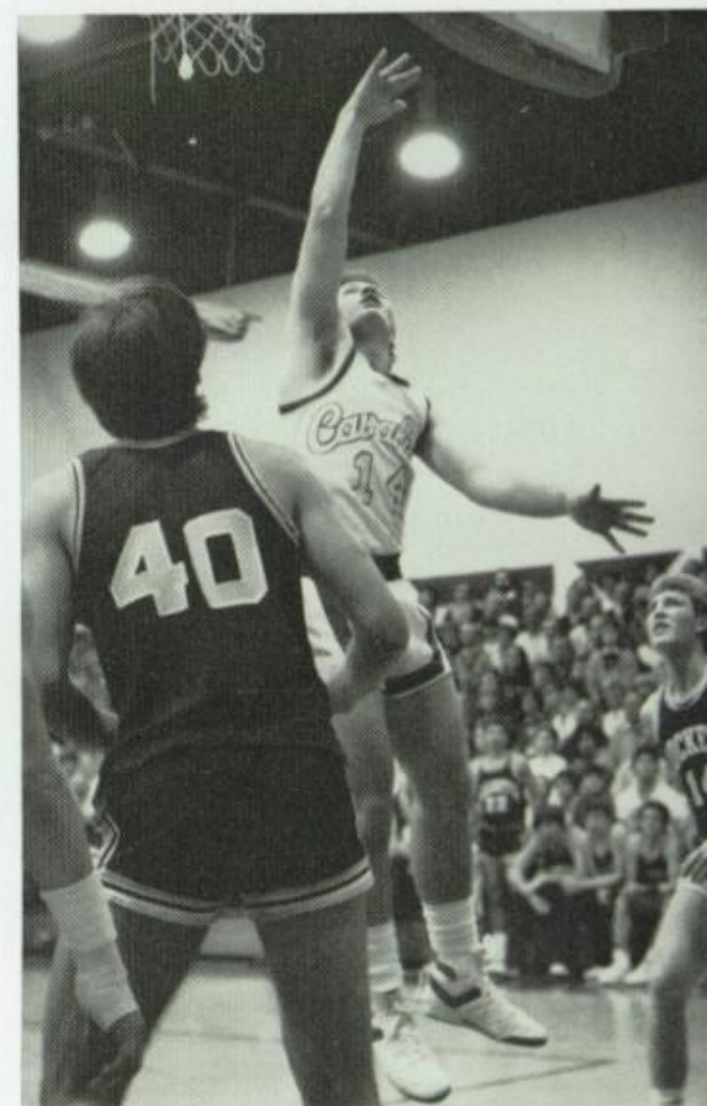

There were many individual honors including All-City and All GCL honors given to Rick Hassel, Dave Minor and Monte Mathis, but it was truly an outstanding overall effort with Juniors Lee May and Bruce Greer along with Sophomores Dorian Bledsoe and Jay Koch playing tremendous roles along the way.

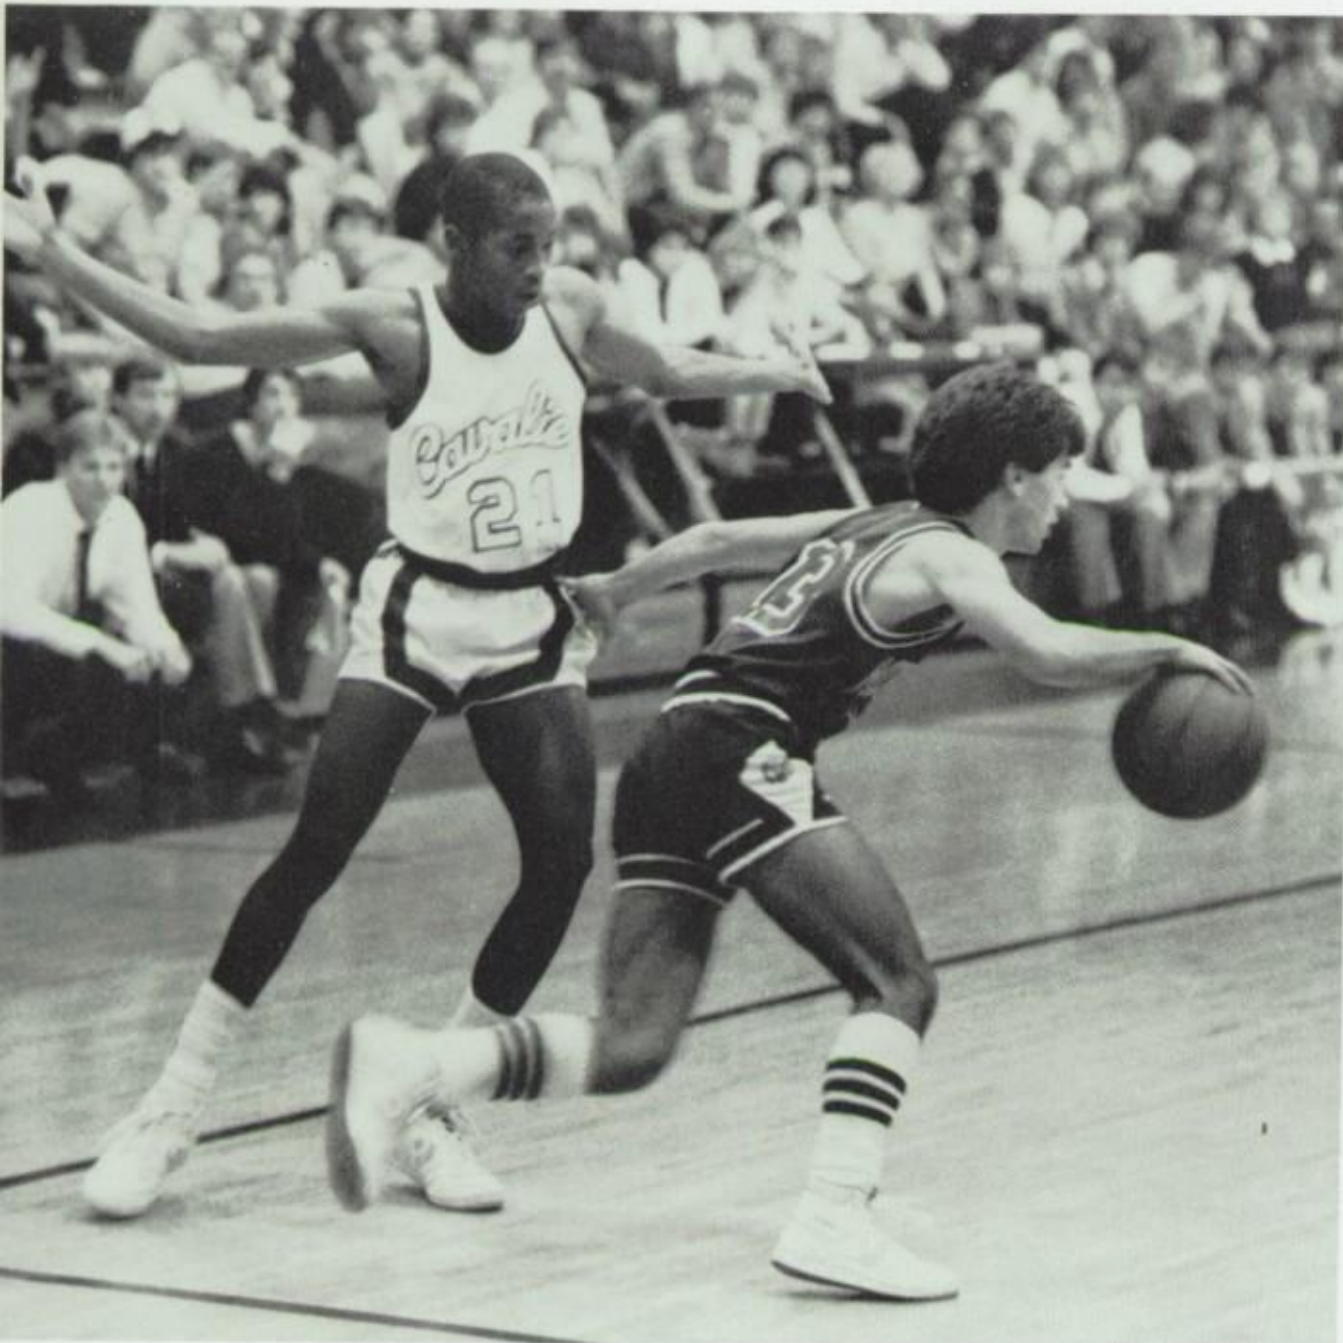

The State Champions were coached by Jim Stoll.

Slow Starts Hamper Reserve, Frosh Hoopsters

The Reserve Basketball Team's overall record was disappointing. Several tough losses early in the season got the team off to a bad start. However, by winning three of the last five games, the team showed signs of improvement and indication that next year's junior class will contribute to Varsity Basketball. The team this year was coached by Dave Gehring.

The Freshman Basketball Team was led by first year coach Mike Young. After a slow start in which they lost three straight, the freshmen

started to put it all together and played some very good basketball. They won the next four out of six games over Roger Bacon, LaSalle, McNicholas and Turpin. Their two losses during this period were to Moeller in overtime and LaSalle in double overtime.

The freshmen struggled at times but were known for a very hardnosed and tenacious defense.

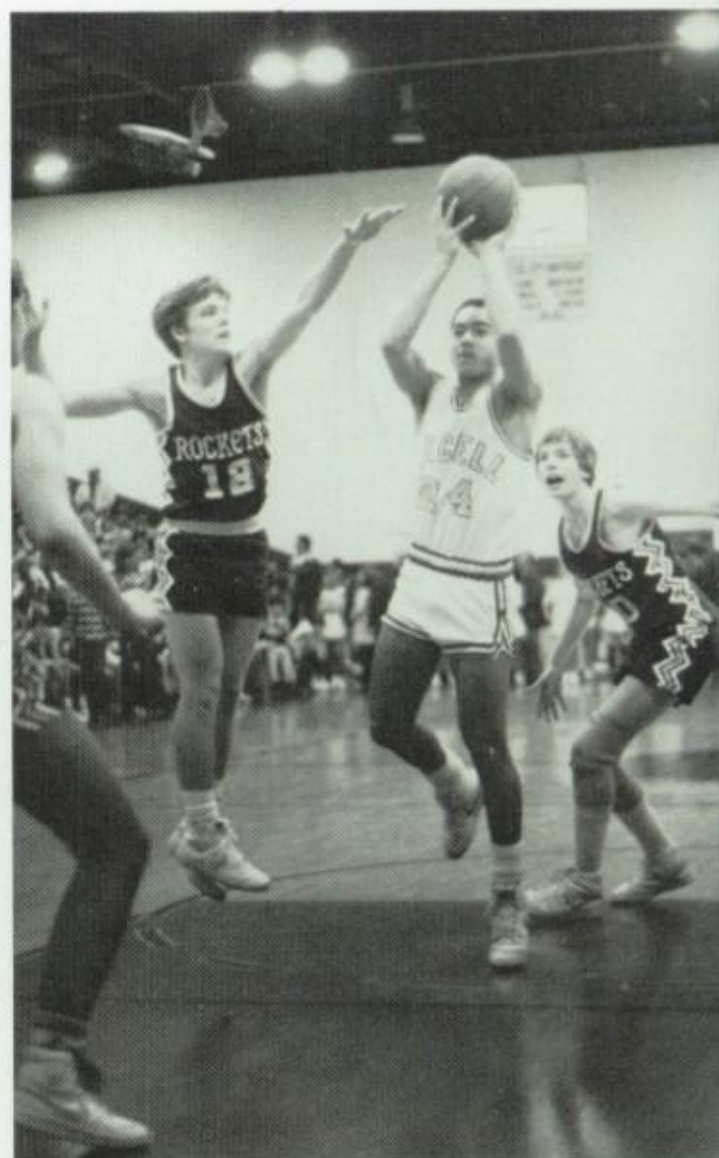

Their season ended in the Frosh GCL Tournament with a hard fought loss at the buzzer to Elder, 43-42.

Varsity Soccer Goes Slow; Reserves Bomb Foes

This years Women's Reserve Soccer Team had a fine season. Thanks to a combination of many talented players in all areas of the field, the team finished up with a superb seasonal record of 12-3-3.

The Lady Cavs started off their winning season with victories over Mariemont, Glen Este, Hamilton and Roger Bacon. The team then suffered a few losses to some tough GCL teams like McAuley, Mercy and Mt. Notre Dame. But the girls bounced back to defeat teams such as St. Ursula, Maderia and a thrilling win over Indian Hill with a goal scored in the last 30 seconds for a 3-2 win.

Perhaps the most exciting game of the season was against top-ranked Seton. As the definite underdog, the

Lady Cavs surprised Seton by playing an extremely tough defensive game to hold them to a 0-0 tie. This was a real moral victory for the Purcell Marian Team. From then on, through the rest of the season, the girls breezed by teams like Princeton, Fairfield and Clermont North East to round off their winning season.

Mary Chandler coached the Reserves this year.

This years Varsity Women's Soccer Team got off to a very slow start. During the season they changed a lot of positions and toward the end of the season they were playing very good soccer.

The team's season record was 5-15.

The team was coached by Tom Boster.

Soccer Teams All Having Losing Seasons

The 1984 Men's Varsity Soccer Team had its most exciting season to date. New coach Mike Reiners and his Cavaliers played some of the most exciting games in the team's short history.

With captains Dan Randle and Erol Ackdoo at the helm, the Cavaliers played each match with such intensity that every opponent knew who they were and that they had come to win.

With the excellent play of the defensemen, including John Book, Joe Steuer, David Gronauer, Steve Dorr and Greg Fielman, the Cavaliers only allowed an average of 1.8 goals per game. This allowed a strong offense led by Greg Morgan, Erol Ackdoo, Nick Ciaccio and Dan Frank to put a lot of pressure on the opponent's goal.

The team ended their season with a 4-11-3 record. They

are looking forward to the 1985 season with much anticipation.

The Reserve Soccer Team had a well played season considering their tough schedule in the GCL. The team played very good soccer and competed extremely well with all their opponents.

The season record for the Reserves was 3-11-1 and the team was coached by Bill Fischer.

The 1984 Men's Freshman Soccer Team had a very good season. The offense scored a total of 20 goals and the defense allowed 16 goals in 10 GCL games. The team showed they could play with anyone in the city and is looking forward to many good things to come in the next few years. The season record was 5-4-1. Lou Rosati was coach of the Freshman Soccer Team.

The 1984 Golf Team played a tough schedule with perennial GCL powers along with sectional qualifiers Turpin, Princeton and Milford. The team didn't play as well as expected, but with the underclass talent returning they hope to improve next year.

Mrs. Sharon Moran

Mrs. Moran taught at Marian High School from 1977 until 1980. She taught at Purcell High School for a year before the merger (1980-1981). She has taught at Purcell Marian since 1981.

During the time Mrs. Moran has been here she has been the chairperson of the Art Department and has taught Art 1-4, Calligraphy, and Art Appreciation. She has been the moderator of the Yearbook, Art Club, and National Art Honor Society.

"I've thoroughly enjoyed all the years I've taught, both at Purcell Marian and at Purcell and Marian (before the merge). The support and concern generated by faculty and students is tremendous. I can only hope to spend many more years here watching the continued growth and development of the school. Thank you to my artists for making teaching something to cherish!"

As a student body we would like to congratulate Mr. and Mrs. Moran on their joyful news.

Bro. Larry

After 12 years of teaching math and science in five Marianist high schools from Detroit to New York City, Brother Larry Eveslage was assigned in 1942 to Purcell High School in his hometown. He was named assistant principal in charge of discipline at the then largest Catholic boys school in Cincinnati. Purcell at the time was dominate in athletics and were dubbed by opponents the "Hackberry Assassins".

In 1959, after 17 years at Purcell, Brother was told that he would be the first principal at the new Moeller High School. Also that year he was assigned to St. Joseph High School in Cleveland as assistant principal. He became acquainted at that time with Bro. Dennis Johnson S.M., the present Purcell Marian principal, when the latter was a senior there.

Seven years were spent at Moeller before he returned to Purcell as principal in 1967.

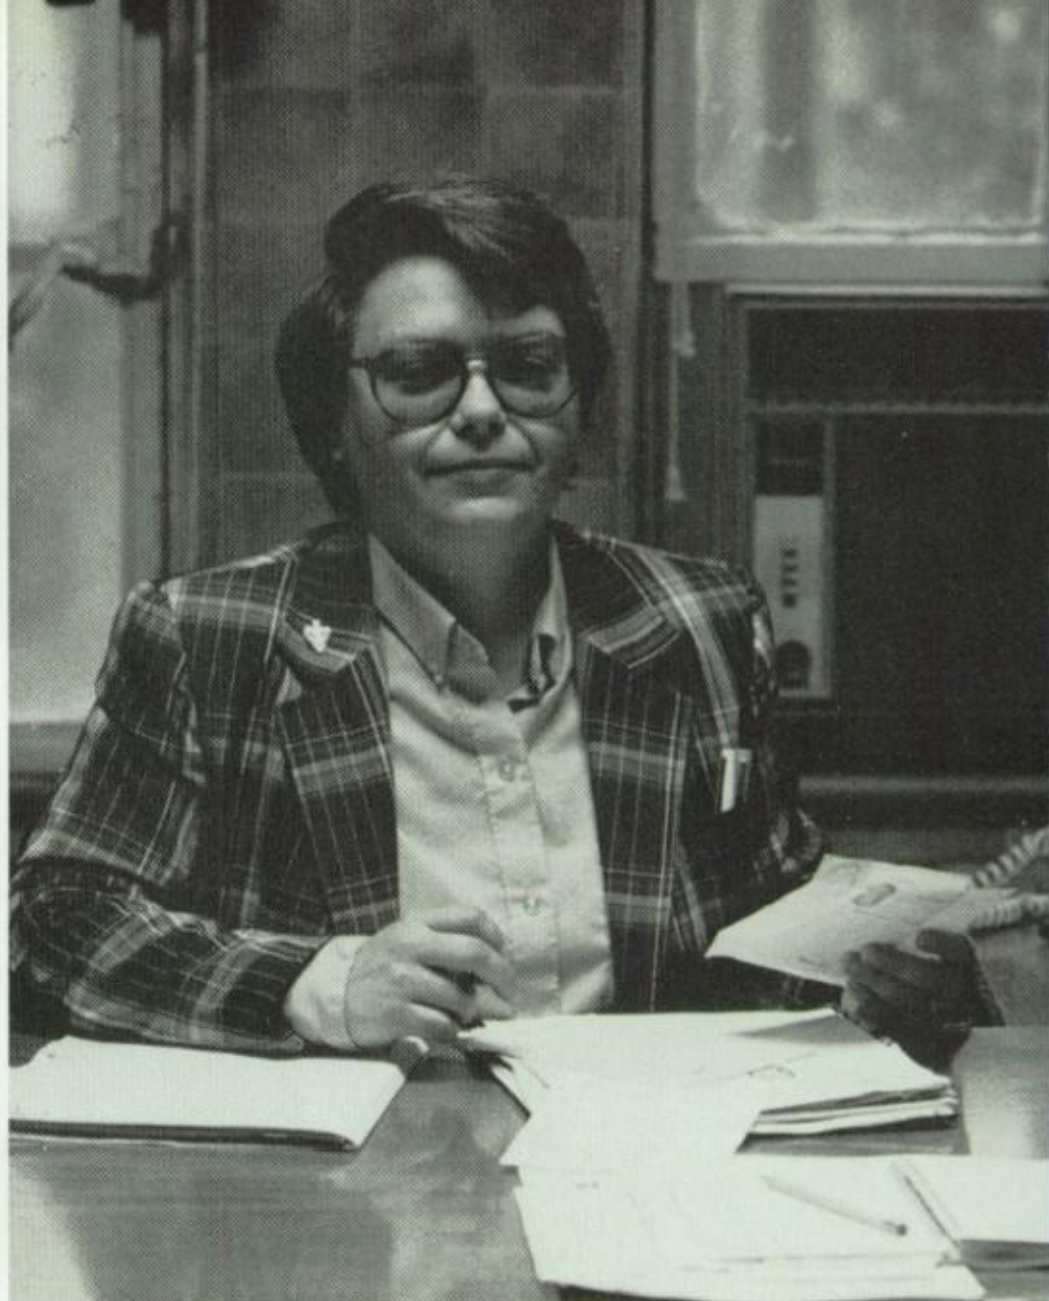

After nine years as principal Bro. Larry retired from that position and became advisor of the Alumni Association as well as a part-time teacher. He is not the full-time Association director in his 35th year at Purcell and Purcell Marian. According to Bro. Larry, "Self-discipline is necessary for success in any endeavor."

Mrs. Mary Rowe Moore

After spending some 29 years at the University of Cincinnati, Mrs. Moore came to Purcell in August of 1972. Her original plan was to stay only two years. Lucky for Purcell and Purcell Marian, she stayed on for 12 years. During the time that she has been here she taught Career Class to freshmen for five years and during her entire tenure she has been a great counselor.

Mrs. Moore was educated at the University of Tennessee and finished her college education, receiving her Bachelors and Masters degrees, at the University of Cincinnati.

"I found that the students and faculty and the staff all work together. There are no cliques. The spirit here is that of the caring of the individual, and the ideals are strong at this school. I can't see too much difference between high school and college students. Their sense of humor is out of this world."

We're sorry to see Mrs. Mary Rowe Moore leave our school, but are happy for the grade school children who will be receiving her love, generosity and understanding.

ACTIVITIES

Opening The School Year Together

On Friday, September 7, the Purcell Marian Family congregated to celebrate the opening of another school year.

Filling St. Frances De Sales to capacity, the entire community gathered in worship and thanks. The spirit present, as always, was one of solemnity and care. It was evident the feeling of care prevailed, which is nothing new at the Castle.

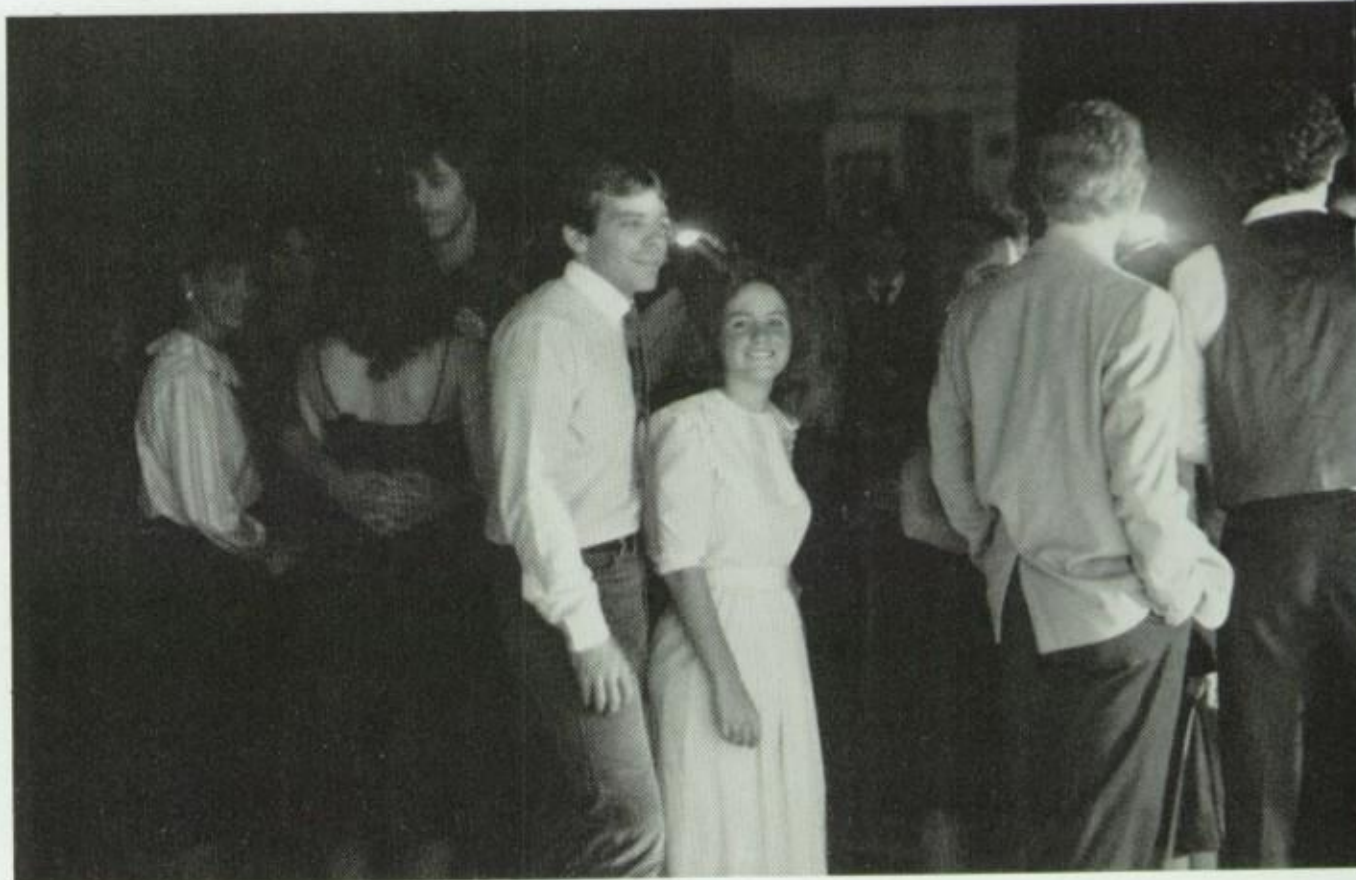

The mass was concelebrated by Fr. Kip Stander and Fr. Louis Weisner. With pride, care, and solemnity present, this mass was an excellent opening to the 1984-1985 school year.

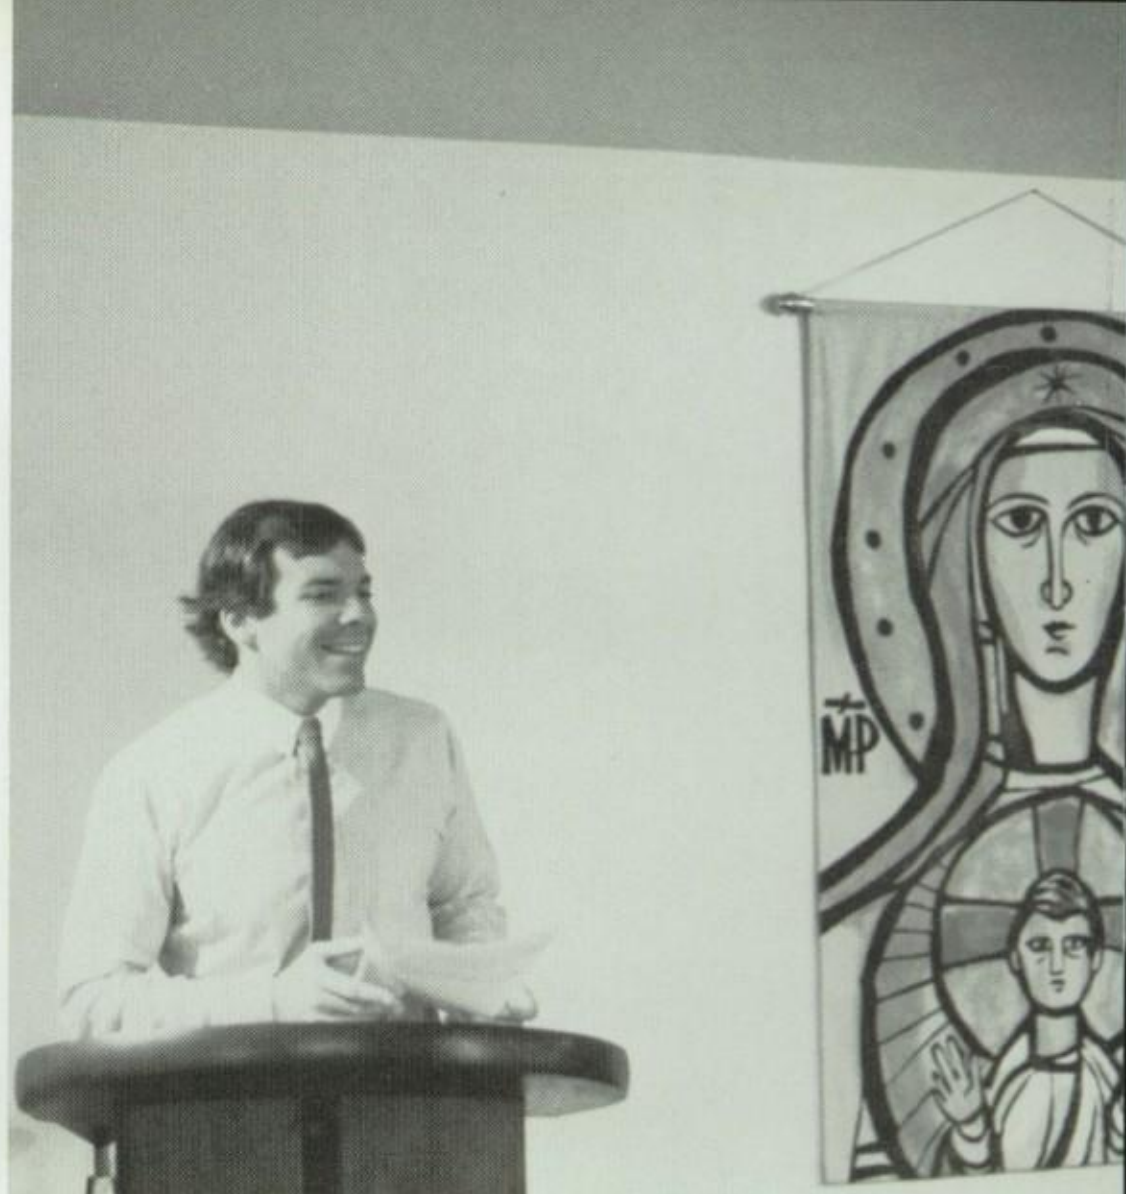

Homecoming: The Tradition Continues

The annual Homecoming date dance was held on Friday, November 12. Fun was had by all as everyone danced their cares away. The queen was Susan Dicker and her court consisted of Lisa Smedley, Lynn Rutter, Cindy Fitzpatrick and Christi Ruf. Activities before the game on Saturday enhanced the already aroused spirit of the occasion. A bike race from the Castle to the Norwood Stadium, in which each division entered 4 guys and 4 girls from each division, and the ever-famous "Powder Puff" football game, which ended in a tie between the freshmen and sophomores, highlighted the evening. The Homecoming game, versus Hamilton Badin, was a dissappointing loss to the Big Blue. This failed to hamper the spirit of pride and tradition which dominates the Castle at all times. Homecoming was merely an occasion to let the pride shine!

The Castle Displays Its Pride

On Sunday, November 4, the doors of the Castle were opened to display to the prospective Class of '89 and their parents, the academic makeup of Purcell Marian High School. Displays were set throughout the school, showing the work of our students in the fields of Art, Foreign Language, Computers, Science, Religion, English and History. Various clubs had representatives demonstrate the actions and activities of the club represented. Tours were led by Purcell Marian students, answering the questions of the possible future Cavaliers. Teachers presented the framework of their classes and informed both the parents and the students of the rigorous structure of academics at the Castle. A slide presentation was also given to demonstrate exactly what Purcell Marian stands for.

Whether or not the students chose Purcell Marian as the place for their high school careers, this day was an ideal opportunity to show the 8th graders of the area and their parents that the Cavaliers are indeed "Outstanding Among All."

Cavalier Spirit: Second To None

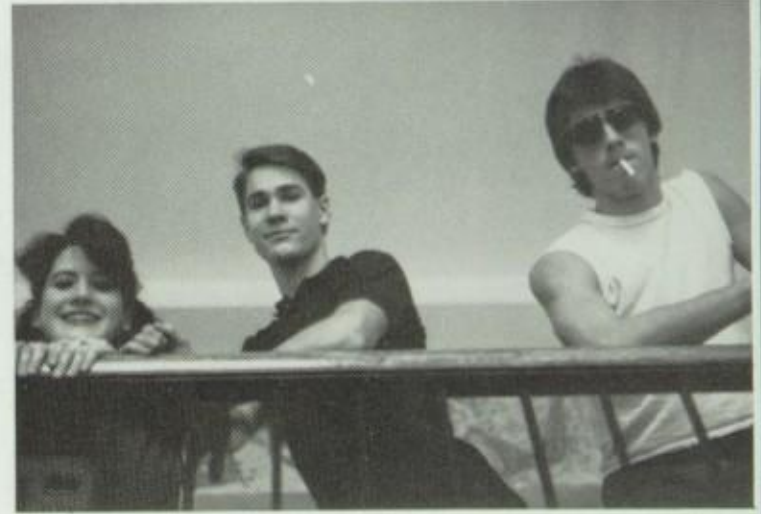

The week of February 11-15 gave everybody at the Castle a chance to prove their spirit. The annual Spirit Week competition pitted each division against the others, earning points for their victories. The week was interrupted by a snow day on Wednesday, but the activities resumed in full force.

First place awarded 4 points; second place, 3 points; third place, 2 points; and 4th place gained a point.

Seniors accumulated 27 points, winning the obstacle course, the book carrying relay, the coaster relay and the It's Academic competition. The juniors won the somersault relay and the girl's tug of war and reaped 24 total points. The sophomores were the overall winners with 29 points and won the basketball shoot, the pyramid, the running relay, and the boy's tug of war. The freshmen won no events but placed second in four events and finished with 20 total points. Fun, with a little embarrassment was had by all, but most importantly, the Cavalier Spirit was once again proven to be outstanding among all!

The Fifties Live Again

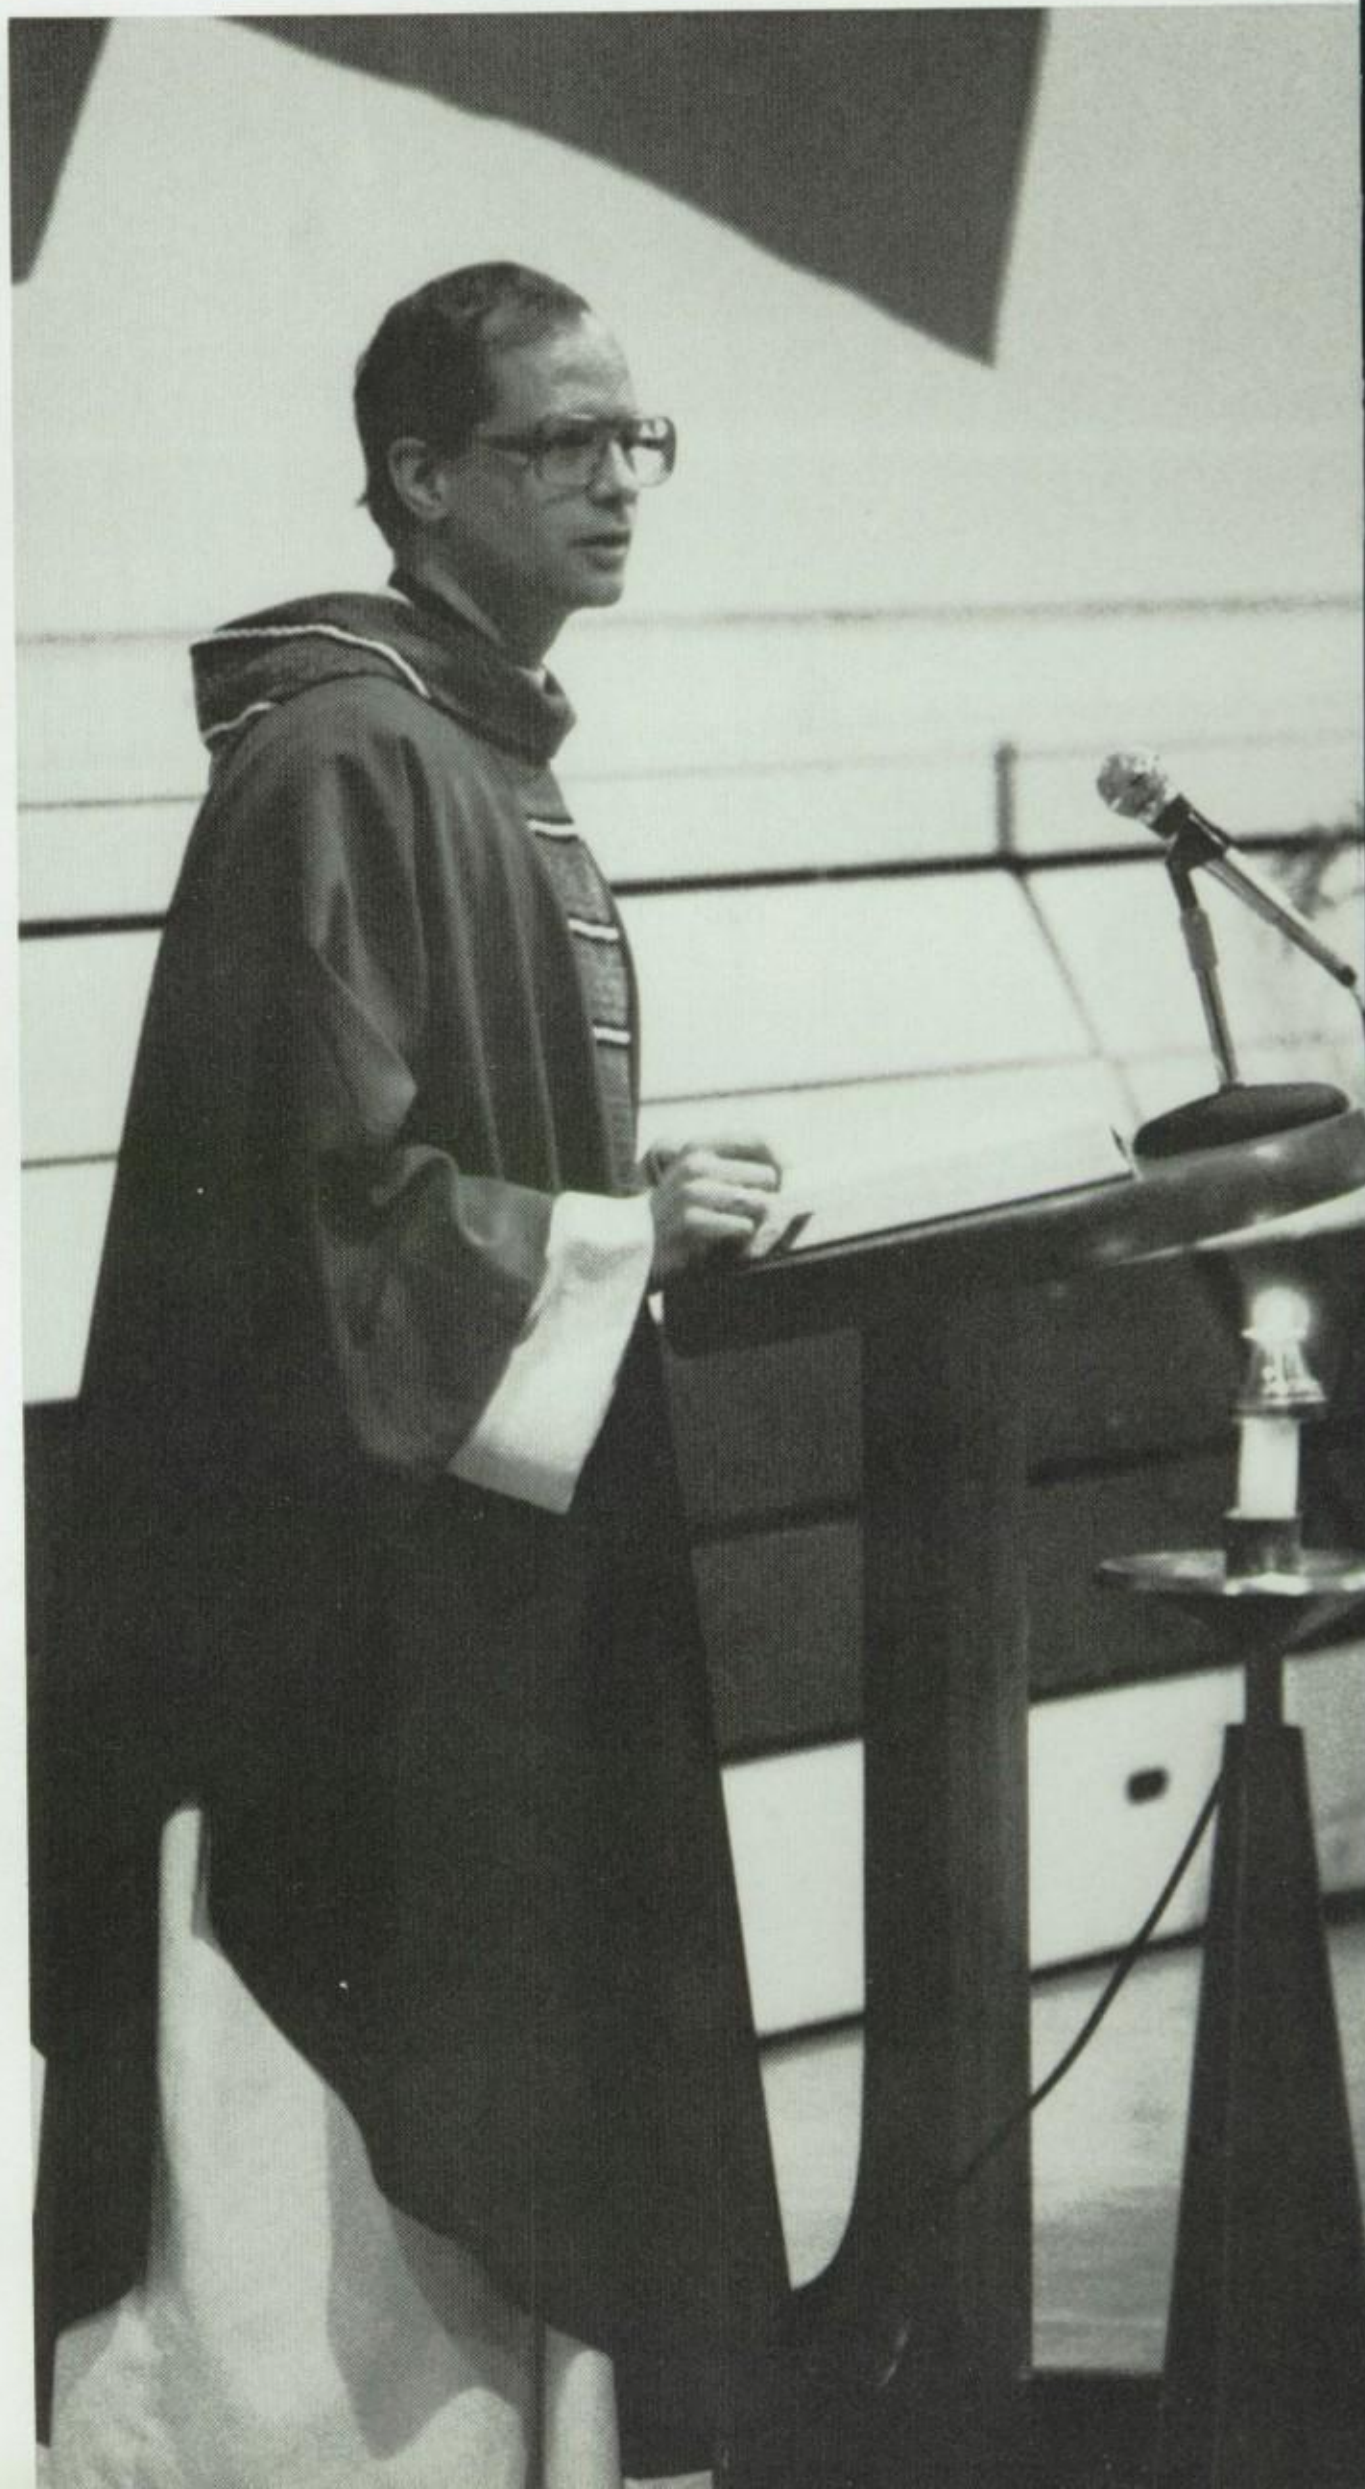

The annual Greaser's Day, sponsored by the Student Athletic Association, brought back to the Castle all the spirit and life of the 50's. Students could purchase, for a minimal fee, passes to be out of uniform to become Greasers and Rock & Rollers like their parents and grandparents once were. Not only did the students dress out of uniform, but the teachers shed their ties and skirts to join in the fun. Normal classroom activities were adjusted to the theme of the day. Before school, the PA system echoed the tunes of the 50's throughout the school. It was announced that the rules that were enforced during the days of the 50's would go into effect at the Castle for the entire day. Each class began with a greeting to the teachers from the students in unison, and the guys and girls were separated in the classroom, lunchroom, and even in the hallways. Classes were on Assembly Schedule, creating time for an assembly when the teachers' costumes were judged. The winners were Mr. Geraci and Mrs. Chandler.

That night, a Greaser's Dance was held following a triumphant victory over neighborhood rival Norwood. Everybody bopped, hopped and rocked to the sounds of the 80's while they wore the clothes of the 50's.

Breakfast Time For Fellowship

The Communion Breakfast is a nice activity during the Purcell Marian school year. Freshmen, Sophomores, Juniors, Seniors and their parents together celebrated Mass concelebrated by Fr. Kip Stander. Afterward, a breakfast of eggs, sausage, various rolls and coffee was served to all who attended. Various speakers were present at all of the breakfasts presenting words of wisdom to the students. Acquaintances were met and good times were shared by all.

Cupid Hits The Castle

On Saturday, February 16, the annual Sadie Hawkins Sweethearts' Dance was held in the Center. Sponsored by the Class of 1986, it was a night filled with music, dancing, fun, and, of course, a little romance to keep in with the spirit of the season. The music was provided by "Solid Gold."

By vote of each division, the winners of the Sweetest Guy/Girl Contest were: Class of 1988 — Carrie Kurren and Doug Kohls; Class of 1987 — Kathy Wittie and Jay Koch; Class of 1986 — Maggie Sena and Andy Butkovich; Class of 1985 — Theresa Smith and Greg Ehemann.

Cavalier Athletes Praised

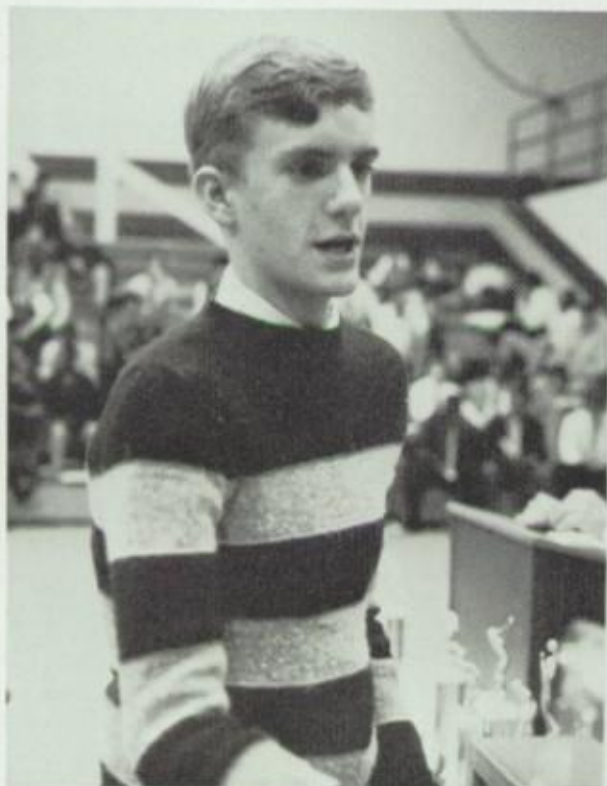

The Sports Banquets, held following each season of play, honored all of the athletes who participated in any of the sports here at the Castle. Regardless of the team records, the athletes were praised for their efforts, talents, and time and sweat spent in the dedication to their sport. The

parents of these devoted students were also acknowledged for their constant support.

Specifically, at the Winter sports banquet, the honor of the night came to coach Jim Stoll and his varsity men's basketball team. At the time of the banquet, they had surprisingly clinched the first GCL Title of the Castle for basketball in 16 years. This remarkable group later went to Dayton and Columbus, returning to Hackberry as State Champions.

Although all the teams didn't bring state titles back to the Castle, they each represented the Cavalier Spirit well and carried with them a true sense of pride that the Castle is famed for. Each team helped to relay the message throughout not only Cincinnati, but the whole state of Ohio, that we are truly "Outstanding among all," and second to none!

Christmas Concert Inspiring

The 1984 Christmas Concert was well in tune with the season. Students who are in the Concert Choir and Band showed their talent by performing as well as entertaining. The show was a big success to show for all their hard work.

Education: The Key To Success

Education: The Key to Success, was the theme of the Academic Awards Banquet, held the evening of May 7. The Honorable Charles Luken, Mayor of Cincinnati, was the guest speaker at this event, which honored the students at the Castle who excelled in the area of academics. Among those honored were the 76 honor students, the many distinguished seniors who received scholarships, the members of the National Honor Society, who hosted the event, and students who merited special awards in individual classes. The academic letters and pins were also awarded to the top juniors and seniors.

Tribute To A Great Lady

Purcell Marian has had many fun and spirit filled activities during the 1984-85 school year. In addition to the Basketball Team's State Championship, Spirit Week, Prom, Homecoming, etc, the birthday party of a very special and dear lady took place. Mary Rowe Moore, who works as a Guidance Counselor here at the Castle, celebrated with all of the faculty, staff, and students the most memorable birthday party that could happen in a lifetime.

It was declared Mary Rowe Moore Day in Cincinnati by Mayor Charlie Luken who came to wish her a special 80th birthday. Mrs. Moore's relatives also came to be with her and join in the celebration on her special day. She received many gifts from all to show how much she is appreciated. Mrs. Moore is loved and cared for by all the Purcell Marian family.

Art Show Features Art And Music

The Art Show and Concert took place on May 19th. The Art Show gave the art students of Purcell Marian a chance to display their art work and compete for first, second and third place ribbons in a number of different categories. The concert gave the Concert Choir and the Concert Band a chance to show off their spirit, pride, talent and dedication.

The show, which combined art and music was an enormous success for those involved and the audience and guests who attended the event.

Music Prizes Award Talent

The music awards were presented at a special ceremony with Mr. Dan Stenger and his assistant, Mr. John Brubach, and Mr. Salerno, the choral assistant, making the following awards: Teresa McAdoo named for outstanding achievement in choral music; Annie Butkovich received the *Band Officer's* award; and Andy Goetz and Charlie Sheffield shared the *Band Moderators* award. The *Band Director's* award went to Karl Brinker and Arie Vandenberg. The *Sempre Fidelis* award was presented to Deron Frye.

The officers for 85-86 will be Andy Goetz — President; Emily Ackerman — Field Commander; and Becky Raabe — Color Guard Captain.

Queens Men — A Purcell Tradition

To begin the year, Queens Men presented two dramas; *The Miracle Worker*, the story of Helen Keller and *Monday After the Miracle*, the story of Helen Keller's life with her teacher, Annie Sullivan. Nancy Darpel played Helen Keller and Vicki Rich played Annie Sullivan both nights.

Following the two dramas were three one-act plays. *The Diary of Adam and Eve*, a short dialogue between Adam and Eve written by Mark Twain; *Tevya and his Daughters*, the dialogue version of *Fiddler on the Roof*, written by Arnold Pearl; and *The Death of a Hired Man*, a poem written by Robert Frost about a hired wonderer who comes home to die.

The third production was *It's a Way Broadway*. This consisted of a musical, melodrama, comedy, and drama. Excerpts were taken from Broadway plays such as *Romeo and Juliet*, *Camelot*, *The Miracle Worker*, *One Flew Over the Cuckoo's Nest*, *Oliver*, and many others. It was a well done production.

The Tradition Continues — Queens Men

To end the year, Queens Men chose to do *A Strenuous Life*, a comedy that had been performed 50 years ago by the class of '35. Queens Men decided to present their performance of the play for the class of '35. The evening began with a dinner buffet in which many of the guests were of the class of '35.

A few of the faculty members dedicated their time to showing us what great talent they had by putting on their own skits. Some of these faculty members were Mr. Wyson, Sr. Francis, Bro. Wilbert Hamm, Fr. Kip Stander, and Mrs. Waters. The play began at 8:00 and ended with a bang. This ended the season for Queens Men.

Marching Band Adds To School Spirit

The 1984-85 season started off with one grueling week in camp Livingston, Indiana, where they learned their show for the year. Solos were given out, parts were learned and fundamentals were drilled. The soloists for the year were Jean Nie, *Sirroco*, Deron Frye, *Sirocco*, and Annie Butkovich, *Ice Castles*. Besides participating at Purcell Marian's football games, the band also had the great pleasure of participating in a Dayton game and their postgame show. Once the football season was over, they participated in a parade downtown on St. Patrick's Day.

Prom Floats Participants

Memories of high school would not be complete without Junior/Senior Prom.

Thanks to our unique Junior Council consisting of Andy Butkovich, Mark Tierney, Dan Telkamp, Terri Sheeran, Maggie Sena, and Mary Ann Meibers it was a very pleasurable evening. The idea of having Prom on a boat was appealing to all who attended. The honors of Prom King and Queen were accepted by Eric Simpson and Maureen Wahle.

Dave Conroy: A True Cavalier

The following story was written by Brian Perry and first appeared in the *Castle Crier*.

Purcell Marian has been home to some very successful people. They include Tyrone Power, Roger Staubach, and Derrick Dickey. It's time to add a new name to the list, someone we all know and love, perhaps the greatest Cavalier yet, Dave Conroy.

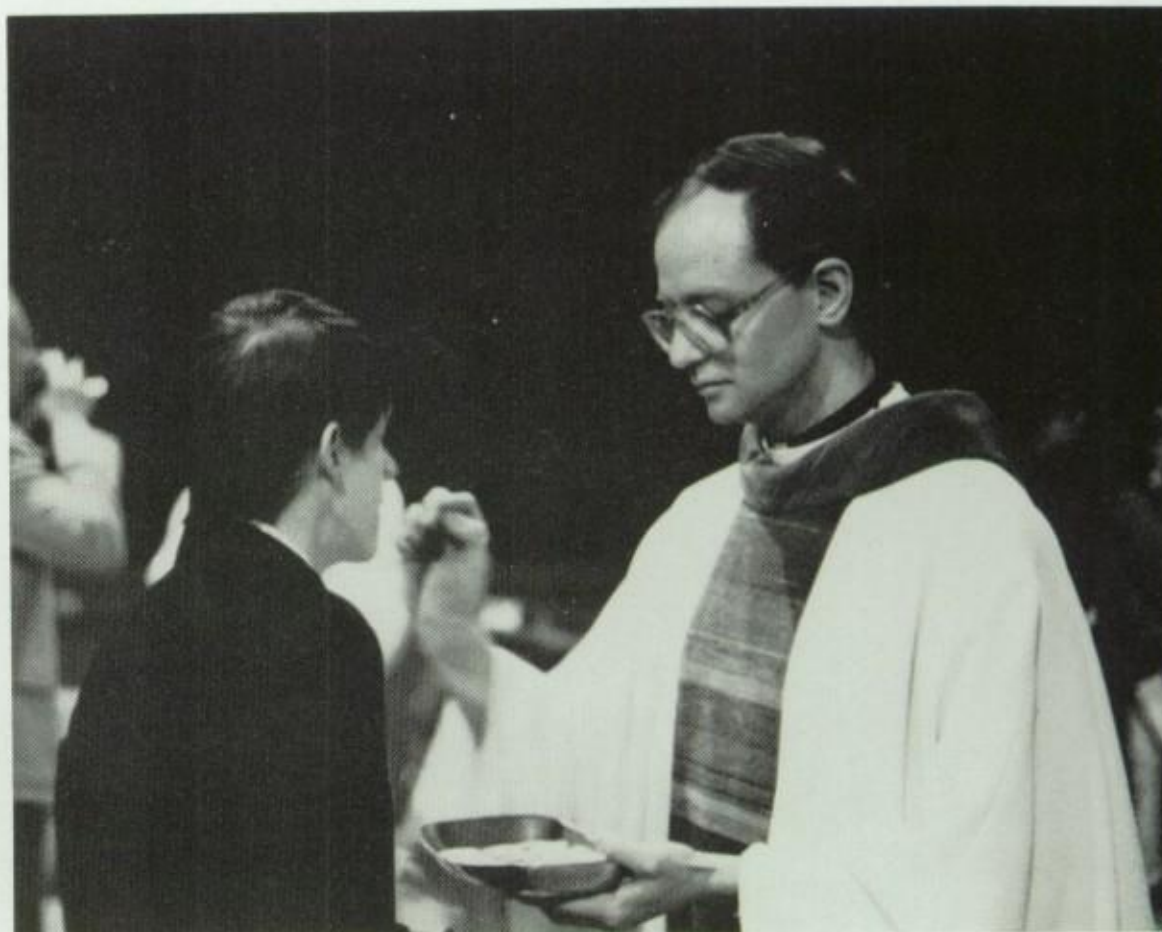

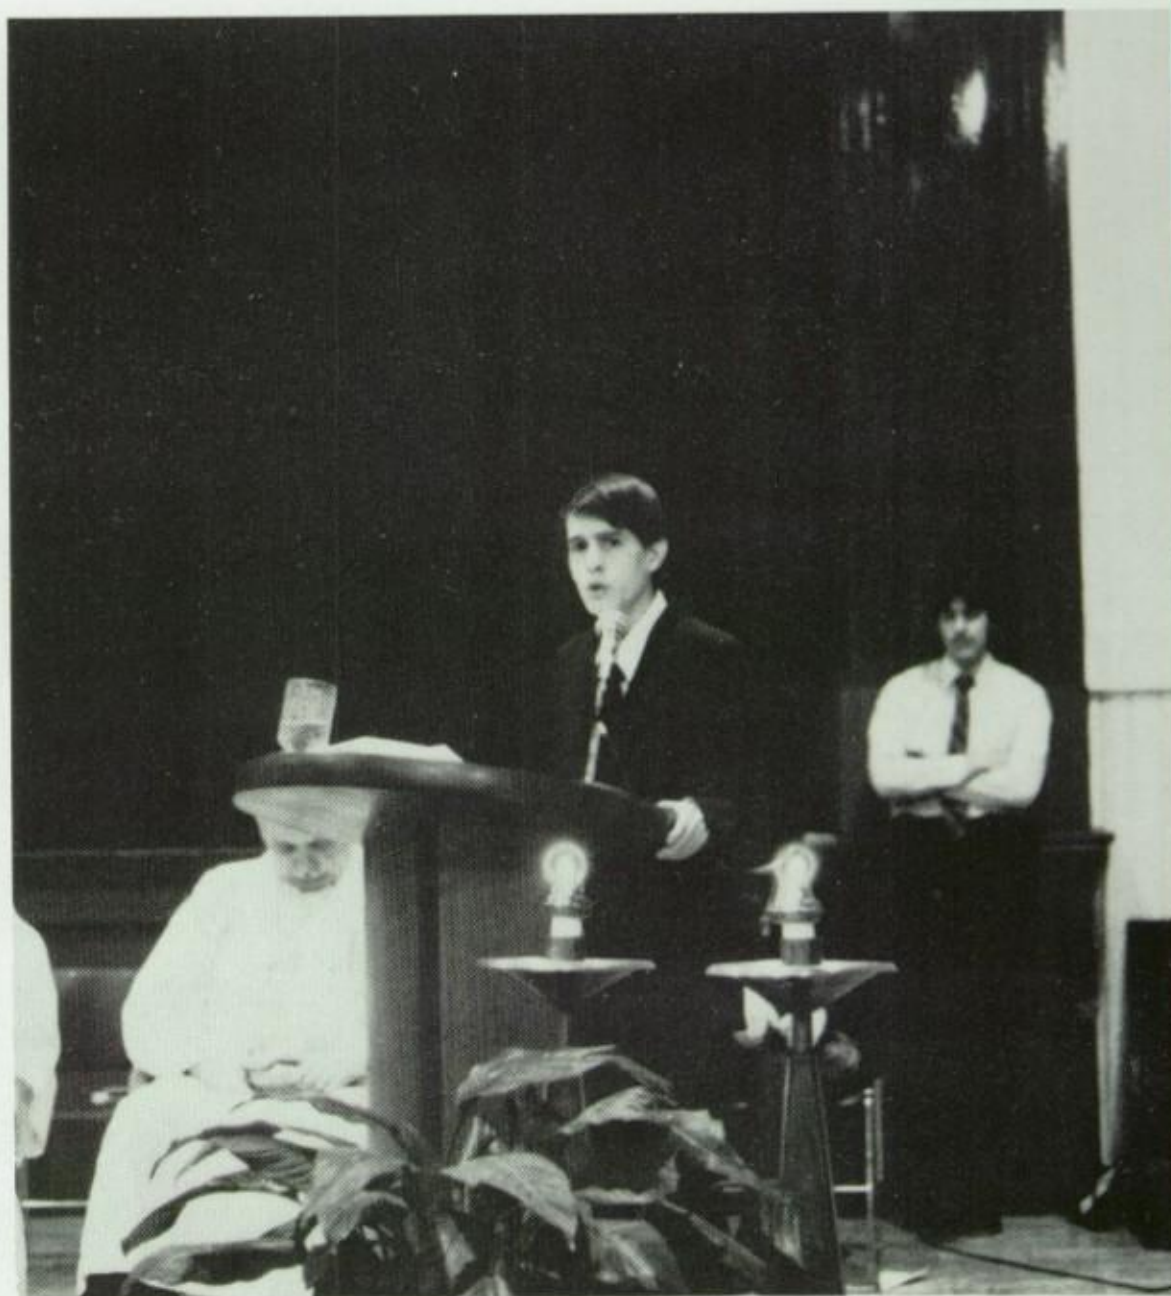

Dave represents all that is good in the world. He is a true Cavalier and an amazing young man. Dave realizes exactly what his disease means and, through his love of Jesus, has come to grips with it. He is truly a courageous person. There is something ironic in that Dave, the person with the most to worry about, is always the first to comfort or aid someone else in need. He is always upbeat and has a profound effect on people.

I remember one time in particular that I went to visit Dave at the hospital. As I walked past the desk, the nurse asked if I was visiting Dave. "Yes," I said, and she proceeded to tell me that Dave was taking a shift answering the phone at night.

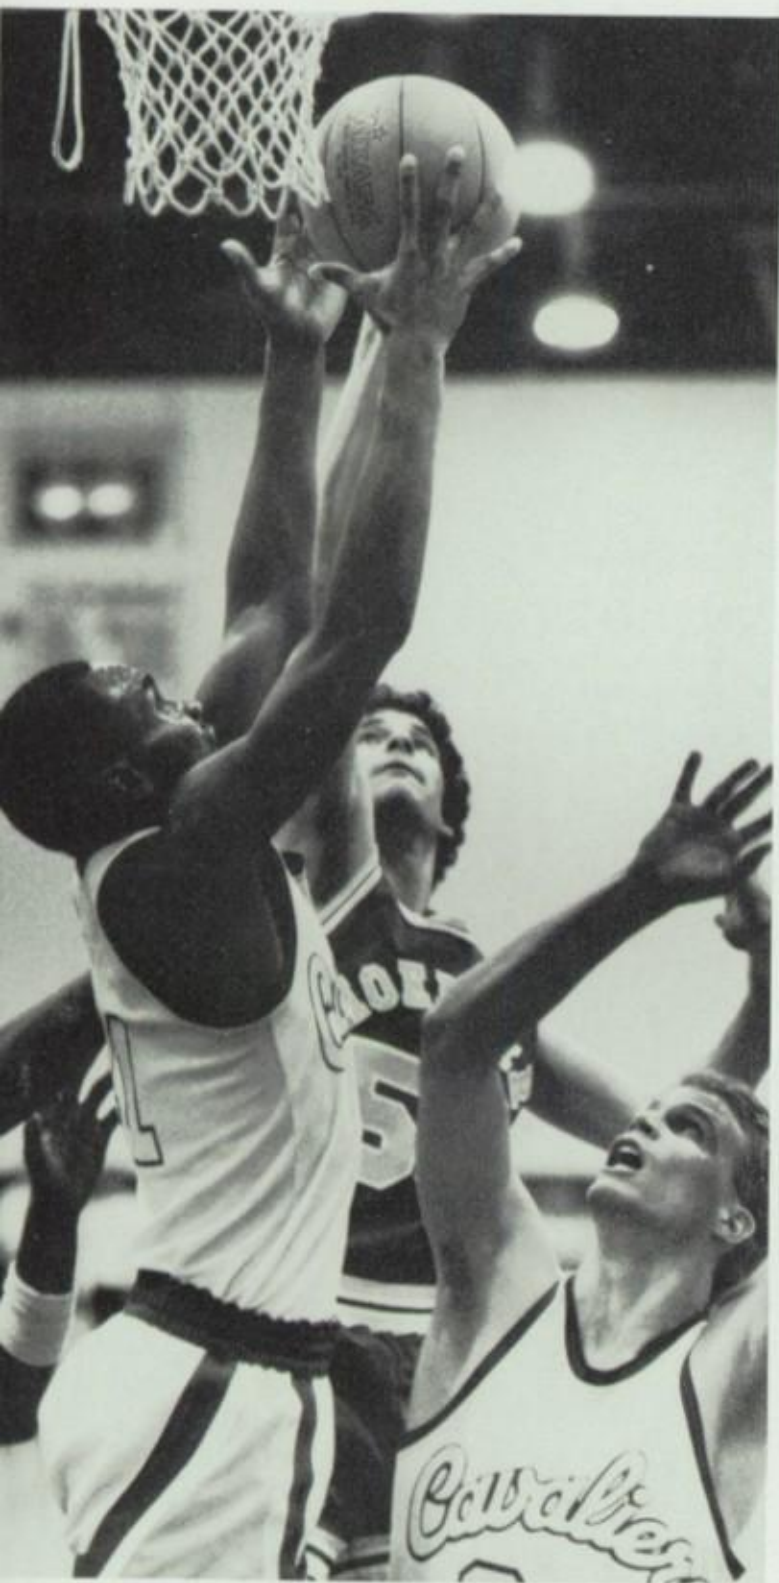

As I walked into his room, there were blown up surgical gloves floating around and Dave was on the phone getting a delivery from LaRosas. This is typical of Dave, helping others just to be helping, not because he had to, and being totally upbeat throughout.

I don't think anyone who saw it will ever forget the look on Dave's face when he was told about his trip to Rome.

After you read this, take a moment to think of all the things you have to be thankful for. You can start with the fact that you have a chance to be associated with and help Dave Conroy. Then say a prayer for Dave Conroy, a true Cavalier.

Men's Basketball — A Dream Season

The 1984-1985 basketball season was one of answered dreams, broken odds and surprises, but most importantly it was the year of the AAA Ohio State Basketball Champions for the Purcell Marian Men's Varsity Team. The first upset was an early 77-67 victory over Elder in twelve years. As was later evident to all, this victory ignited a spark of electricity that surged this group of men to Columbus. When this charged group returned to the Castle at the end of their dream season, they returned with nothing less than the state championship.

After the Elder victory on Friday, Dec. 7, the team, coached by Mr. Jim Stoll, played magnificent ball. They clinched the first GCL title in a 62-50 victory over the Spartans of Roger Bacon. The Castle was gleaming with pride. But, this was only the rim

on the hoop.

The competition for the title began throughout the city against the local teams. Emerging victoriously, they arrived the Dayton, for victories against Dayton's Patterson and Dunbar. The game to qualify for the regionals in Columbus, was against city rival St. Xavier, winning by one bucket in the final nerve-wracking seconds.

The date to be embedded in the memories of all is Saturday, March 30, 1985. It was on this day that Purcell Marian Cavaliers of Cincinnati overpowered Mansfield Senior by a tally of 65-57 to reign as the 1985 AAA Men's Basketball Champions of Ohio.

These 8 points were four of many hoops made by these outstanding men all season, but they happened to be the final four steps that seated the deserving Cavaliers on the throne of basketball's best.
